# LANIGAN ADVISOR

Vol. 43 No. 1    Monday, December 13, 2021    Lanigan, Saskatchewan    [www.laniganadvisor.com](http://www.laniganadvisor.com)    \$1.00

## Clarke part of officiating crew during AHL contest

■ Daniel Bushman

A very historic season continued for Alex Clarke as the official with local roots refereed her first American Hockey League game at Abbotsford Centre. Clarke who became the first woman ever to ref a Canadian Hockey League and Western Hockey League game during the 2021-’22 season was on the ice Dec. 5 as the Abbotsford Canucks met the San Jose Barracuda.

Named to both the Western Hockey League and AHL’s officiating teams for the year, Clarke (nee Blair) who grew up on a farm near Drake said in an article in the Nov. 1 edition of the Lanigan Advisor that the theme for this year has been grateful. “I think more than anything though I am just excited to see the opportunities come and to hopefully give them my best foot forward.”

Up until this season no woman had ever been selected to officiate in either league but rewind a few months ago and Clarke not only was part of a WHL contest but now she has checked off a game in the AHL as well. Joining nine other female referees and linespeople as part of the 2021-’22 AHL crew, Clarke said in the Nov. 1 edition of the Advisor, “For me it is rewarding to feel like I’ve earned it. There are a lot of people right now who think in the WHL I am just a token female or in the AHL that think that the 10 of us are just token females. I think it is rewarding to be able to feel and stand on my feet and say that I think that I’ve earned this opportunity and I don’t think that it is coming to me as a gender thing. I feel like they’ve recognized and seen me and I am qualified to be there.”

As Clarke made her AHL debut in Abbotsford, B.C., many people took to Twitter to express their congratulations.

With a photo of Clarke, the AHL tweeted: “Welcome to the American Hockey League, Alexandra Clarke!”

The Abbotsford Canucks tweeted: “Alexandra Clarke refereed her first AHL game tonight at Abbotsford Centre. She is also the first female AHL referee to work a game this season at Abbotsford Centre. Great job tonight and congrats, Alexandra.”

Back home Alex’s dad Trevor tweeted: “Another extremely proud moment for this Dad! Way to go Alex!”

The Drake Canucks senior hockey team shared its well wishes, tweeting: “Another incredible accomplishment for one of Drake’s own! Congratulations Alex!”

And closer to where Alex now resides, the SJHL’s Weyburn Red Wings sent out a tweet: “Congratulations everyone, especially our very own Alex Clarke from the entire Weyburn Red Wings organization and community!! Keep doing great things!”

Over the years Clarke has certainly put in the work to get to where she is at, officiating at a number of high level events including being assigned to the 2020 IIHF Women’s World Championship, the 2019 IIHF Women’s World Championship (Division I, Group B), the 2018 4 Nations Cup, and the 2018 IIHF U18 Women’s World Championship (Division II, Group B). She has also been on the ice in the Saskatchewan Junior Hockey League; the Saskatchewan Female U18 AAA League; U SPORTS Women’s Hockey; the Saskatchewan Male U18 AAA League; and the Prairie Junior Hockey League.

Most recently, after officiating some games in the WHL, Clarke headed to Denmark and the Czech Republic to try out at an officiating camp and qualification tournament in an effort to make the roster for the upcoming Olympics in Beijing. As

Alex Clarke who grew up on a farm near Drake has been making history this year and most recently was part of the officiating crew who reffed an American Hockey League contest in Abbotsford, B.C. (pictured). For Clarke, that was her first game officiating in the AHL and she became the first woman to do so at the Abbotsford Centre. Clarke is one of 10 female referees and linespeople as part of the 2021-’22 AHL crew.  
- photo credit: Abbotsford Canucks

of press time, there had been no official announcement from the IIHF on who has been selected to be a part of the crew officiating in February.

“It has been amazing how many people have been supportive and who have stood behind me but for me it is just really rewarding to have the confidence in myself to know that they’ve picked me because I am qualified and not for any other reasons.”

# New owners of Lanigan Restaurant excited for opportunity

■ Daniel Bushman

With a focus on flavour, great service and the chance to serve Lanigan and the surrounding area, the new owners of Lanigan Family Restaurant are hoping to make an impact within the community.

A passion for food and with experience in the restaurant industry, when the opportunity came about to purchase the local business, Rhonda Smolcic and her husband Daniel went for it.

“Rhonda grew up in the industry and it is what she knows and loves,” explained Daniel. “When the opportunity came up we decided to take the chance.”

Located at 500 Commercial Drive just off Hwy. 16 in Lanigan, the family restaurant changed hands in the middle of August and after some work, the couple reopened it on Sept. 11.

Featuring an all day breakfast and an extensive menu to try and accommodate

- photos used with permission

everyone’s taste buds, Daniel said they continue to revise the menu to include even

more homemade foods. Some of those foods include burgers, pasta, fish and chips, party platters and pretty soon, pizza and lasagna. “We strive to provide quality meals and great service at a fair price.”

Despite the challenging times within the food industry during the pandemic, the Smolcics are open seven days a week and are looking forward to becoming more involved within the community. As part of that, the restaurant is donating \$2 from every Backyard BBQ Burger sold between Dec. 8 and 14 to the Lanigan and District Food Bank. “Being

part of the community, we want to help the community. We feel it is most important to us to become involved and support the community as much as we can.”

Offering dine-in, take out and delivery while having the ability to host private functions, Rhonda and Daniel have appreciated the many people who have already tried out their food and are supporting them in their venture. “We welcome any suggestions they have to improve their visit and look forward to meeting many more residents of the community.”

# RCMP Report

## Catalytic converters stolen in Watrous

On the night of Dec. 2 between 5 p.m. and 9 a.m., two catalytic converters were stolen from trucks on Melron Services property. In early November, catalytic converters were also stolen off of vehicles parked in the Centennial Ford parking lot. Watrous RCMP is seeking assistance in regards to any information regarding either incident. All information can be given to Watrous RCMP, or anonymously through Crime Stoppers Saskatchewan.

## Vehicle collision south of Tribune

On Friday, Dec. 3 at approximately 12:33 p.m., Weyburn RCMP responded to reports of a collision between a semi and a piece of farm machinery on Hwy. 35, approximately four kilometres south of Tribune.

Initial investigation determined that the farm machinery struck the rear portion of the semi while travelling south bound. The collision caused the farm machinery to tip onto its side, blocking the highway in both directions.

STARS Air Ambulance attended and airlifted the adult male driver of the farm machinery to hospital with what were described as being serious injuries. The adult female driver of the semi did not report any injuries.

Hwy. 35 was blocked for several hours. The highway was later cleared of all debris and reopened to traffic travelling in both directions.

## Collision north of Davidson

On Monday, Dec. 6 at approximately 2:08 a.m., Craik RCMP responded to a serious vehicle collision involving two semi trucks with trailers approximately 10 kilometres north of Davidson.

Initial investigation determined a northbound semi tractor-trailer unit jack-knifed on Hwy. 11 and a second northbound semi travelling behind the first collided with it.

The two occupants of the first semi did not report any injuries to police. The lone driver of the second semi passed away.

Investigation into the cause of the collision is ongoing at this time by Craik Detachment and RCMP Collision Reconstruction.

## Hanley woman charged

On Dec. 2 Saskatchewan RCMP's Saskatoon Crime Reduction Team arrested a woman in relation to a Controlled Drug and Substance Act investigation in the Hanley area.

The investigation determined cocaine was being trafficked out of a local business in Hanley by an adult female employee. It is not believed anyone else at the business was involved and no one else at the business was aware the drug trafficking was occurring.

Randi Mallett of Hanley is charged with: two counts, trafficking (cocaine), Section 5(1), Controlled Drugs and Substances Act and two counts, possession of the proceeds of crime less than \$5,000, Section 354(1)(a) and 355(b), Criminal Code.

She will appear in Saskatoon Provincial Court on Feb. 22 at 2 p.m.

"We're pleased that as a result of this arrest and charges, we've been able to disrupt the cocaine supply in Hanley and area – it will help make the communities the RCMP serves in this area safer," said Saskatoon Crime Reduction Team Sgt. Kory Davidsen. "The Saskatchewan RCMP is committed to combatting illicit drugs, which put lives in danger and increases crime in our communities."

This investigation was supported by specialized Saskatchewan RCMP units including the North Battleford Crime Reduction Team, Federal Serious Organized

Crime Unit and Saskatchewan Digital Forensic Services.

## Warman High School placed in lockdown

On Dec. 7 at 2:25 p.m. Warman RCMP were advised of a threat directed towards the Warman High School. Officers immediately attended to the school. A thorough search of the school and surrounding area determined there was no safety concern.

The school's lockdown protocol was initiated during the investigation and was lifted once officers determined there was no threat present. The investigation is ongoing.

## Plunkett

Deloris Wilson (Sutherland) • 306-944-4852

Plunkett folks send their deepest sympathy to the Elmer Dieno family on the recent passing of Gerrie Dieno. She was a teacher in our school years ago.

Also our deepest sympathy to the family of Alois Koller of Viscount on his recent passing. He operated the flour mill in Viscount for years.

Visiting Marge Haynes in Lanigan for a few days were her son Daryl Haynes of Calgary and a friend.

Dave and Lyla Muench were away to Kitscoty, Alta. to visit family for the weekend.

There was a lot of good curling on TV.

Several folks left for the sunny south for the winter months. I hope they have a good trip.

Birthday greetings go out to the ones having a birthday this month.

The ladies are busy making squares for their blankets and some are putting them together.

Get well wishes go out to anyone ill and in the hospital. We wish them well soon.

Anyone having any news, please phone me at 306-944-4852. Thank you.

## Viscount

Sandra Reid • 306-227-1193

Four ladies met for Blankets for Canada Wednesday afternoon, Dec. 1 to join squares together. As usual, we always enjoy these three hours to catch up on our week. We are always so thankful for donations of time, yarn and 8" x 8" knitted and crocheted squares. For more info, please call Evelina at 306-944-4820.

It is with great excitement that Viscount has been selected as one of 20 communities allocated to receive regulated child care spaces as released from the Governments of Canada and Saskatchewan. A committee of parents struggling to find child care services was formed in July 2021. A (see back page: **VISCOUNT**)

## Solutions and Substitutions

— tips from Reena Nerbas

In order to meet the recycling standards, I was removing a large label from paper towel packaging. I got it off in one swift rip, which was fantastic, until it landed flat on the concrete floor. I finished unloading the paper towels and by the time I got to the label, it was flush. I was able to peel off a few bits, but they were coming off in bits. I stopped, as I felt this would not help. Now I am left with a foot-long mess on the concrete. Thoughts? Hoping to avoid heavy-duty chemicals. Thought maybe a rag soaked in vinegar might work? Kind regards, Lexi

**Dear Lexi,**

Hot water and a stiff plastic scraper should be all you need in order to remove the sticker. A hot hair dryer is another option or pour rubbing alcohol onto the area and gently scrape.

**Hi Reena,**

I would like to know how to clean a badly burned ceramic stove top. My daughters have made eggs and not cleaned the stove top properly and it is impossible to clean. I have used the glass top cleaner and scraper but am unable to get the burned spots off. Thanks, Laurel

**Dear Reena,**

To deter birds from flying into my patio windows I put decals on the windows. I took the decals off and they have left sticky goo which I cannot remove. Do you have any advice? Anne

**Dear Anne,**

Your best bet is to wash the sticky residue with a non-scratching abrasive cloth, hot water and dish soap. The hot water will loosen the glue. Clean your windows as normal after the residue is gone.

**Dear Reena,**

In order to meet the recycling standards, I was removing

**Dear Laurel,**

Years ago, a contributor shared the same challenge. She sprayed the stove with oven cleaner and scrubbed. She said the stove looked brand new (test on an inconspicuous area first).

**Feedback from wise contributor**

**Re: Peeling garlic**

**Hi Reena,**

I was reading your column about a tip for removing the peel from garlic cloves. I have the following tip - microwave a clove or two on high for about five seconds then cut off the end and the peel will just slide off! Thanks, Christine

**Use these tips with a grain of salt**

- Pour half a cup of table salt into your kitchen/bathroom drain and garburator. Doing this quick exercise once a month will freshen the drain and get rid of stinky pipes. Submitted by: Mark

- To quickly chill a bottle of wine, place the bottle in an ice bucket. Add a layer of ice on the bottom and sprinkle it with a few tablespoons of table salt. Continue to layer salt and ice until it reaches the neck of the bottle. Then add water to ice level. After 10 minutes, open and serve. Rinse the ice bucket thoroughly after use. Submitted by: Mark

- Before winter I maintain my metal tools and bicycle parts by cleaning them with a paste of salt and lemon juice. This prevents future rust buildup. Submitted by: Mark

- Get rid of bitter coffee by adding a pinch of table salt to the fresh coffee grounds before running coffee through the machine. Submitted by: Aileen

- Remove odours from hands and cutting boards by rubbing them with lemon juice and salt. Rinse with water. Submitted by: Aileen

*Note: Every user assumes all risks of injury or damage resulting from the implementation of any suggestions in this column. Test all products on an inconspicuous area first.*

ANSWER: 2 AND 8

# Pirates cash in against Monarchs

■ Daniel Bushman

With a win at home against Watrous to wrap up November, the Lanigan Pirates were hoping to hit December with some momentum.

Taking a 10-4 victory at home against the Winterhawks Nov. 26, the Pirates headed to Foam Lake to face the Flyers Dec. 3 before returning home to meeting Wynyard Dec. 4.

In the Dec. 3 contest, Lanigan went with Mack Shields in net and with the power play struck first as Austin Calladine scored from Dexter Bricker and Elliott Peterson. Back to even strength, Lanigan increased its advantage to two as Calladine notched his second of the game with 11:39 left in period one. However, Foam Lake would respond with a power play of its own as the Flyers made it 2-1 with 2:24 to go. That was followed up with a Travis Mayan equalizer to make it 2-2 with 53 seconds remaining in period one. Looking to get back in front, Lanigan pressed and less than 10 seconds later, Korwin Shewchuk put the Pirates up 3-2 with assists going to Trey Daelick and Stuart

Symenuk.

Taking a lead into the second period, Lanigan looked to continue to push ahead but it would be Foam Lake who struck first. With 18:46 remaining in period two, the Flyers made it 3-3 but as was the case earlier in the contest, Lanigan fought back and Peterson who had a helper earlier notched a goal to give the Pirates a 4-3 lead. That advantage which came with 4:58 to go in period two lasted until 4:09 remaining when Foam Lake once again tied the game as Mayan notched his second of the game. That was it for scoring through 40 minutes as both clubs looked to try and get the go-ahead goal.

With the power play and early in period three, Foam Lake would get a 5-4 lead as Mayan scored his third of the contest and that would be it as the Flyers took a 5-4 victory on home ice.

Despite the close loss, Lanigan returned to the ice at home Dec. 4 as they faced Wynyard. With Shields getting the call between the pipes for the Pirates, the home crew jumped out to a quick lead courtesy of a power play marker. With a goal against the Flyers, Peterson carried that momentum over and

tallied with 15:27 remaining in the first and Lanigan went up 1-0. Then with 8:36 to play, Dexter Bricker made it 2-0 before captain Carter Lamont gave the Pirates a 3-0 advantage with 5:11 left in period one.

That was it for scoring through 20 minutes and in period two, Lanigan picked up where it left off as Korwin Shewchuk scored early on before Peterson would collect his second and third goals of the game. Wynyard replied with a goal from Cody Straker but after 40 minutes the Pirates led 6-1 heading into the third. Unlike the previous game where it was a see-saw battle, Lanigan continued to press and with a shorthanded marker to begin the third, added three more to Wynyard's one and came away with a 10-2 victory.

Along with Peterson's three tallies, Austin Calladine collected a goal and four assists while Bricker had a goal and three assists to help in the win.

Lanigan was scheduled to be in Wynyard for a rematch Dec. 10 and returns home Dec. 15 against Foam Lake before a game against Drake Dec. 18.

# Canucks remain hot in December

■ Daniel Bushman

After a solid start to the Long Lake Hockey League season, the Drake Canucks took aim at carrying that momentum into the final month of 2021 with a three games in three days schedule. Facing undefeated Davidson Friday, Dec. 3, Drake then travelled to Foam Lake Saturday to face the Flyers before returning home to welcome Watrous Sunday afternoon.

In the first game of the three, the Canucks deployed netminder Calvin Bartel and with the veteran manning the cage, Drake got on the board first to lead 1-0 through

one. In the second frame, the Canucks sought out the next goal and it would not take long as Terrell Draude scored less than two minutes into the period to make it 2-0. John Lawrence added to that total later in the period and before the second was over, Lawrence tallied on the power play with 28 seconds remaining to give his club a 4-0 advantage going into the third. In period three, Andrew Johnson made it 5-0 less than four minutes after the start of the final frame before the Cyclones were finally able to solve Bartel midway through the period. However, with 5:11 to go, captain Cameron Blair scored from Terrell Draude

and Andrew Johnson to put the Canucks up 6-1. That was how the game ended as John Lawrence and Draude each collected four points during the contest. The final shots had the Canucks outshooting the Cyclones 49-22.

With a big win on home ice, Drake turned its attention towards its next game against Foam Lake. In a matchup between two of the top teams in the LLHL, it would be the Canucks once again getting the upper-hand as they had three power play goals and one shorthanded marker, skating away with a 7-4 win. Terrell Draude and Cameron Blair each netted a pair while Carter Coben,

John Lawrence, and David Stumborg scored once. Foam Lake took a 2-1 lead through one before Drake scored four times in period two to go up 5-3. Then in the third Foam Lake got to within one before the Canucks replied with a pair of late markers. Spencer Ewen got the call in net and after a solid performance, helped his team earn the win.

Beginning December with a pair of wins, the Canucks returned back to the familiar confines of the Drake Sportsplex where they welcomed the Watrous Winterhawks for an afternoon

(from page four: **VISCOUNT**)

survey, which was circulated throughout Viscount and surrounding communities, demonstrated a high need for child care. The Village of Viscount and the Viscount Childcare Centre Inc. is extremely grateful for this opportunity and will be meeting soon to further discuss details.

Best wishes to anyone who might be under the weather. I hope you feel better soon. Thank you to all who helped make this week's Viscount news possible. Have a great week, stay warm and stay safe.

(from page six: **CANUCKS**)

contest. With a supper and player auction following the game, the two teams traded goals in the first period and then had the contest knotted up at three with 8:28 left in the second. Then the Canucks began to pull away with three markers before the buzzer to make it 6-3 after 40 minutes. By the time the third period came to an end, the Canucks collected five more goals to make it 11-3. With the final shots 58-18, Cody Wourms scored three goals for the Canucks while Terrell Draude and Cameron Blair each had two and John Lawrence, Cody Pettapiece, Maguire Blair and Andrew Johnson all tallied once.

With three straight wins to start December to go along with their victories in November, Drake was scheduled to face Foam Lake once again but at home Dec. 11 and 17.

# Strong. Sustainable. Saskatchewan.

Saskatchewan is leading the way in responsible and sustainable resource development. In 2021, companies in Saskatchewan launched innovative new projects in helium, lithium, and carbon capture, utilization and storage, enhanced oil recovery, forestry and more. These projects are building on the foundation of our strong natural resource sector.

Saskatchewan has a strategy to make it the most attractive place in Canada for carbon capture and storage and a Helium Action Plan with the goal to secure 10 per cent of the global helium market share by 2030.

Saskatchewan is the number one potash producer and second-largest uranium producer in the world. We're also home to the highest grade uranium deposits in the world, with exciting new exploration projects underway in northern Saskatchewan. Potash helps feed the world while nuclear power is key to global strategies to lower carbon emissions.

Our resource sectors are driving growth in our communities, creating jobs for families and building a

better Saskatchewan with a strong economic future. Investors have demonstrated their confidence by announcing almost \$10 billion in new investments in the province this year, which will create nearly 10,000 jobs. With one of the lowest unemployment rates in the country and the sustainable resources the world needs, our province will continue to be a land of opportunity.
