## Local area residents honoured with prestigious medals

■ Daniel Bushman

For a number of local area residents and special guests, it was a day to remember as over 40 recipients within the Humboldt-Watrous and Batoche constituencies were bestowed with a tremendous and very well-deserving honour.

Joined at the Bella Vista Inn in Humboldt by the Lieutenant Governor of Saskatchewan, His Honour, the Honourable Russ Mirasty, Deputy Premier and Humboldt-Watrous MLA Donna Harpauer along with Batoche MLA Delbert Kirsch, they presented Queen Elizabeth II Platinum Jubilee Medals to each worthy recipient.

Those recognized during the Dec. 19 event were called forward one by one to accept their medals for their contributions in the fields of volunteer service, health care, public service, communication, arts, protective services, religion and business/commerce.

Of those from the Humboldt-Watrous constituency, a number are familiar faces to the local area and included: Ron Ediger from Watrous, Lyle Emmons from Manitou Beach, Shirley Frydenlund from Allan, Irene Gray from Colonsay, Angel Liebrecht from Lanigan, Jack and Mardelle Robson from Lanigan, Larry Sommerfeld from Allan, and Lionel Sproule from Manitou Beach. Unable to attend the ceremony and who were also named recipients of the prestigious medal were Barry Croshaw from Watrous, Don Bowman of Guernsey and Brad Wildeman of Lanigan.

Deputy Premier Donna Harpauer shared it was an exciting day and a way to recognize local people and what they do for their neighbours and communities at large. “So many people in our communities in Saskatchewan are going above and beyond and they don’t think they are doing anything exceptional and they do not expect any acknowledgment. It is truly humbling to be able to have a day where we can acknowledge those people. Unfortunately some get missed out because we don’t know what they are doing so I want to extend a thank you to all of those too.”

Over 40 worthy recipients including those representing the Watrous-Humboldt constituency (above) were in Humboldt Dec. 19 as part of a ceremony where they were presented with a Queen Elizabeth II Platinum Jubilee Medal from the Lieutenant Governor of Saskatchewan, His Honour, the Honourable Russ Mirasty and Deputy Premier Donna Harpauer. Of those in attendance, a number of recipients were from the local area including Angel Liebrecht (left), Jack Robson (below left) and Mardelle Craven-Robson (below right).

# RCMP Report

## RCMP issue release on firearm trends

Saskatchewan RCMP is aware of the Statistics Canada report, Firearms and violent crime in Canada, 2021, released on Dec. 12, 2022. The trends noted within it are not surprising to RCMP. Saskatchewan RCMP statistics have confirmed the same and want to describe the impact of firearm-related crime in northern Saskatchewan.

In the past five years, the number of incidents of firearm-related violent offences in Saskatchewan RCMP jurisdiction has increased by 43 percent (from 440 in 2017 to 627 in 2021). Most of this increase occurred in Northern Saskatchewan, which experienced a 75 percent increase (from 219 incidents in 2017 to 384 incidents in 2021).

As the provincial police service, it is the RCMP's duty to focus on the people behind these numbers. Each one of the incidents outlined had at least one victim impacted by violence and trauma.

"Statistics tell part of the story. But only our Saskatchewan RCMP officers and the communities they serve experience the vivid and alarming truth of how firearm-related violence impacts northern and west-central Saskatchewan," said C/Supt. Ted Munro, Saskatchewan RCMP's Criminal Operations Officer. "Our communities can tell you about the fear that firearms and gang violence create. Our police officers will tell you they are seizing more dangerous firearms – including handguns and disturbingly, many sawed-off long guns. These concealable weapons, particularly the illegally-modified ones that could malfunction, present extra risk to our communities and police officers."

In 2021, Saskatchewan RCMP removed a total of 1,377 dangerous firearms from communities during the

course of investigations. By December, there had been 1,395 firearms removed so far in 2022. The majority of these firearms are non-restricted rifles (66 percent of the firearms seized in 2021) followed by non-restricted shotguns (22 percent).

Saskatchewan RCMP's first priority is the safety and security of the people it serves. Firearms-related calls for service are the most serious RCMP respond to because they pose an immediate threat to public safety and are often unpredictable. They are prioritized above non-violent crime like mischiefs or minor thefts. RCMP quickly shift priorities to respond to these incidents and RCMP thoroughly investigate them.

RCMP frontline detachment officers are often the first to arrive on scene, but when there is a serious firearm incident, as Saskatchewan's provincial police service, RCMP have many other highly-specialized and trained police officers who will assist in the minutes, hours and days to come. This includes neighbouring detachments, the Critical Incident Response Team, Major Crimes, General Investigation Sections, Forensic Identification Services and too many more to mention. Furthermore, RCMP have specialized investigative units like the Saskatchewan Enforcement Response Teams whose mandate is to target organized criminality, including those who choose to introduce illegal firearms into communities.

"Saskatchewan RCMP officers do amazing work each and every day, in every corner of this province. We've had many successes removing illegally-possessioned, dangerous firearms from the streets – and charging those who choose to use and illegally traffic them. (Recently), for instance, Creighton RCMP seized five rifles and two handguns from a residence," said C/Supt. Munro. "But I will be honest – we could do more. The firearm-related danger and investigational complexities have increased in Saskatchewan. Our resources have not. The increase

in firearm-related violence is stretching our resources – it means we often have to reprioritize our response to non-violent crime. It means our officers carry an unreasonable workload and endure long hours – risking their well-being."

## RCMP remind residents to lock buildings

RCMP in south-central Saskatchewan remind residents to lock buildings and vehicles after recent thefts. Since mid-November, RCMP detachments in south-central Saskatchewan have noted a steady increase in reports of property crime, including break-and-enters and thefts. A number of items have been reported as stolen in these incidents, including vehicles, firearms, tools and electronics. Investigation has determined these crimes may be committed by suspects armed with weapons. Investigators are working to determine if they are connected. Lumsden, Moose Jaw, Milestone, Southey, Punnichy and White Butte RCMP, in cooperation with the Regina Police Service's Auto Theft Unit, are also working in tandem to conduct neighbourhood inquiries and proactive patrols in the affected areas to help maintain public safety. If you see suspicious activity in your area, please report it to your local RCMP by calling 310-RCMP immediately. Remember to report crimes, even if they seem small. When all crimes are reported, officers get a clearer picture of the types and numbers of crimes occurring in their area.

RCMP officers also remind members of public to take the following precautions: Ensure all windows and doors of your residence, business and all outbuildings are locked when you're not present; Consider installing an alarm system and/or video surveillance and ensure that it is always up-to-date and functional; Install outdoor lighting: a well-lit property deters thieves; and Lock your vehicles and equipment. Don't leave valuables, tools or keys in them. Park them in a garage or well-lit areas while not in use.

## Look What's Cooking by Laura Novecosky

### Rhubarb Dessert

**Ingredients:**

- 1 3/4 cup graham wafer crumbs
- 3 tbsp. melted butter
- 1 cup sugar
- 2 tbsp. cornstarch
- 4 cups diced fresh or frozen rhubarb
- 1 package raspberry or strawberry Jell-O
- 1 large carton frozen whipped topping
- 1 1/2 cups mini marshmallows
- 2 cups cold milk
- 1 package instant vanilla pudding mix

**Directions:**

Mix 1 1/2 cups of the crumbs and butter together, press into a greased 9x13 pan. Bake at 350°F for 10 minutes or until lightly browned. Cool on a rack while you make the rest of the filling. In a large saucepan, combine cornstarch, sugar and rhubarb.

Bring to a boil and cook for about three minutes or until thickened and rhubarb is tender. This takes a bit longer with frozen rhubarb, so I tend to put the rhubarb on a plate and microwave it for about two minutes to help thaw it out first. Remove from heat, stir in the Jell-O until it is dissolved - about three minutes. Cover and place in fridge for about an hour or until it is partly set. Spoon rhubarb over cooled crust. Combine the whipped topping and marshmallows, spread over the rhubarb mixture. Mix the milk and pudding for about two minutes until softly set then carefully spread over the cake in the pan. The pan will be very full. Sprinkle top with remaining 1/4 cup of crumbs. Refrigerate about two hours before serving.

# Pirates and Canucks clash to end 2022

■ Daniel Bushman

With both teams taking aim at a win before the end of 2022, the Drake Canucks hosted the Lanigan Pirates on a chilly Dec. 20. Coming off of a big 8-0 victory over Watrous on home ice, Drake looked to improve its position in league

standings while Lanigan who lost a close 4-3 contest against Foam Lake wanted to add to its point total.

With a record of 2-7 and scoring 24 markers while giving up 48, the Pirates would be the first to score as Josh Bly made it 1-0 from Carter Lamont and Shane Sherban

with 16:29 left in period one. Teams traded opportunities for the remainder of the period and after 20 minutes, the visitors led 1-0.

In the second period and sitting at 3-5-1 in the league standings while scoring 40 goals and allowing 40, Drake tied things up as Eric Roy

tallied from Maguire Scheidt and Maguire Blair. Just like in the first frame, teams went the rest of the way without notching another marker.

Heading into the third stanza, and with the score knotted up at one a piece, just 40 seconds after the puck dropped, Bly gave the

visitors a 2-1 advantage with Nick Shumlanski and Colby Harmsworth adding the helpers. Similar to the previous two periods, that would be it for scoring and Lanigan would skate away with a 2-1 victory.

The win also moved the Pirates to within one point of sixth place Drake and

three back of Foam Lake for fifth. LeRoy sat fourth in league standings with 12 points, Wadena was third at 14, Davidson second with 18 points and Wynyard sat first with a 10-2 record, good for 20 points. The other remaining team, Watrous, was eighth with a 1-10 record.

Senior Boys East League, Foam Lake was 1-0, LeRoy 0-1 and Watson and Wynyard were 0-0.

Senior Girls Central League, Watrous sat 2-0 followed by Humboldt B and Lanigan at 0-1.

Junior Boys West Central League, Humboldt Public was 2-0, Humboldt St. Augustine Eights were 2-1, Winston High in Watrous was 1-0, Lanigan Elementary and Humboldt St. Augustine Sevens were 0-2.

Junior Boys South West League, Watrous Elementary was 1-0, Strassbourg 1-1 and Imperial 0-1.

Junior Girls South West League, Lanigan Elementary was 2-0, Watrous Elementary 0-1 and Imperial 0-1.

Happy New Year Everyone. Wishing everyone a great 2023!

Dec. 20, 2022, the great-grandma's for the reading program at VCS were invited to join in the Viscount Central School Christmas Concert and Festival of Trees fundraiser. It was an awesome evening. It is so enjoyable watching the plays and listening to the songs. Then we exchanged gifts and met our reading buddies. Bidding was done on the beautifully decorated trees and baskets. Draws were done for the door prizes and

50/50 raffle. It was very well attended; the whole evening was fantastic!

Dec. 18, 2022, the Community in Blooms committee did a holiday light contest. It probably was a little hard for the judges as there were so many beautifully decorated homes! Winners were Brian and Chris Desmarais. Congratulations.

Dec. 18, 2022, Viscount Family Fun Day was enjoyed with many free activities, plus the archery ham shoot fundraiser. Even Santa Claus attended during the day. Then
