From the Editor's desk

We have arrived at our final edition of 2021 and that in itself is a blessing. Through the many ups and downs of this past year, I think I can safely say that 2021 will go down as one that I will always remember. Perhaps you felt that way as well. While there were many bumps along the way during 2021, there were also moments of encouragement, kindness, generosity and hope.

For me, that last word 'hope' has been a key theme over this past year. Navigating through the unknowns of the pandemic, feeling the loss of loved ones, anxious about what may be ahead, and just having to trust and have faith that everything will be okay.

A while ago I wrote in an editorial about 'defining moments' and how we have an opportunity to be different in a positive way during a hard time. This year has been tough for so many people on so many levels and it is my hope that in some way you will be encouraged, you will feel loved and you will know that you are not alone.

During all of life's struggles, while it may seem bleak at times, there is a hope that we can put our faith in. That is also a big reason why I decided to leave the background of this page the same as last year. I know that it is different for everyone, but in speaking from my own personal journey, for me, I find that hope in Jesus. As we approach Christmas and the opportunity to spend time celebrating His birth with family, we feel so thankful and blessed. The road is not always easy, and in fact this past year has certainly proven that, but know that through the valleys, there are mountains that we can conquer; that we can stand firm on and that we can eagerly look forward to reaching. It may take time to get there and you might feel as though you may never get there but as my grandma Driediger always said, "Take one day at a time." Words I have tried living by over the years.

As for the paper, you may have noticed that this is our Christmas Edition. While there have been smaller papers this past year, I hope that this edition will bring a smile to your face. A special shout out to our staff who continue to go above and beyond every year to help make this edition and all of our editions possible! We are so very grateful for you and thank you for your willingness to be a part of our team!

We also want to thank our advertisers, many of whom continue to support us through advertising during the pandemic. For that, we are so grateful as that also allowed us to push forward and not ultimately have to close these past two years. We also thank our readers, you, for the support through renewing, subscribing and reading our paper. This year has certainly seen more than its fair share of uncertainty but the faith our advertisers and subscribers have put in us has been such a blessing to us and again, we thank you for that.

We also extend our sincerest gratitude to our local correspondents who provide us with news throughout the year and to Laura Novecosky for her delicious recipes.

To those who have sent in items, whether stories, photos, or reports, your continued willingness to share happenings within your communities is sincerely appreciated. Thank you!

Thank you as well to our friends at our local post offices who sort and deliver our papers each week. While I know it is your job to do so, you go above and beyond for us and we sincerely appreciate it!

I also want to thank my cousin for helping me with papers, you are so appreciated and we are grateful for your help! Thank

you also to Lil for her willingness to deliver our newspapers along with a few others, like our parents, who graciously lent a hand during 2021. Thank you very much!

Being this is our Christmas Edition, I wanted to give a shout out to the teachers and students at Watrous Elementary School who contributed to this year's edition. I always get excited to see what will come in and with our own kids and nieces and nephews in school as well, I eagerly await to see what they will say. I also appreciate Manitou Lodge and Interlake for their willingness to help us out with a special feature this year and to those from the local ministerial providing messages of Christmas. And to the many others who contributed to this edition. Thank you!

None of this would be made possible without the generous support from local and surrounding area organizations and businesses for their willingness to include holiday greetings. Having that support from advertisers and organizations throughout the year is vital for us to continue to operate and it is because of that support we can keep publishing a paper.

As we near the end of 2021 and look to the start of 2022, whether you have all of your Christmas shopping done or not, I would encourage you to please support local and support those businesses and local organizations who graciously advertised in our Christmas Edition this year as they are what keeps a community going.

In closing, despite the many unknowns that await us in 2022, with Christmas approaching, Kim and I are thankful for the birth of Christ, for our kids, our families, our staff, advertisers, subscribers, our friends, and anyone who has played a part in our lives. I want to wish you a very Merry Christmas, happy holidays and richest blessings in 2022!

Christmas
I saw the light festival at Saskatoon. It was so beautiful. We loved it. It was so good.
I hear ho ho ho at the mall when I get a picture with Santa. He gives me a candy cane.
I smell the food getting cooked in the tostee oven. It makes me really excited.
I taste the sugary cookies. Sometimes my mouth waters because it is super good.
I touch the pokey Christmas tree. It makes a little tickle and scratches. I do not like it at all.
I feel my heart pumping and it feels excited. Sometimes I jump out of my chair.

**Jennings
Gr. 4P, WES**

Christmas
I see the Christmas tree sparkle with tinsel and Christmas lights brightening the room. Once my family put our school pictures on the top of the tree.
I smell Christmas cookies baking in the oven and the sugary delight going through the house. Sometimes I help my mom make cookies.
I taste delightful tender turkey and creamy gravy. Once I had this type of chicken salt and it was really good on the turkey.
I touch wrapping paper as I rip open my presents. Once I got a lego set which me and my brother built and it was so tall and now it's one of my favourite toys that I have.
I feel smooth wrapping paper as I ripped open "the present". Once I used scissors to cut open my present. I thought I destroyed my present but luckily nothing broke.

**Jax
Gr. 4P, WES**

Christmas
I see Christmas lights when my brother and I walk around the town when it is almost dark.
I hear my mom and dad figuring out what to get me and my brother for Christmas.
I smell the cookies my mom is making. They smell so good.
I taste the cookies when they are done. My mom gives me and my brother one cookie each.
I touch the wrapping on the present. It feels so weird, but my brother loves the feel of the wrapping on the presents.

**Taya
Gr. 4P, WES**

Christmas
I see lots of bright Christmas lights on the Christmas tree.
Sometimes it takes a long time to hang up the ornaments.
I hear Christmas music in the Christmas play. When the play is over everybody claps and cheers.
I smell Christmas cookies on the kitchen table. When my mom takes the cookies out of the oven I want to eat all of them.
I taste the Christmas cookies in my mouth. Sometimes I have two cookies.
I touch the wrapping paper on the presents. Once last year I got a nintendo switch.
I feel excited when it is time to open the presents. When it is time to open the presents I tear the wrapping paper off of the presents.

**Jaxon
Gr. 4P, WES**

Christmas
I see the snow glistening on the grass in the yard.

Sometimes I look around and see snowmen in different peoples' yards.
I hear people laughing and music. Sometimes I hear "HoHoHo."
I smell freshly baked sugar cookies cooling on the stove.
Sometimes I ask if I can have one.
I taste snowflakes falling on my tongue. When I taste the snowflakes on my tongue, I feel a chill on my tongue.
I touch the leaves on the Christmas tree when I put the ornaments on the branches of the tree. When we are finished decorating the Christmas tree, my dad lets me put on the star.
I feel happy, joyful and warm inside. I think next time I go to my grandma's house I will make sugar cookies. When I get home, after I make cookies, I'll share them with my mom and dad.

**Gabby
Gr. 4P, WES**

Christmas
I see the Christmas lights at night. Me and my family go to look at the lights at each street. When I see the lights I wish our house would look like theirs.
I hear the present when I shake it. Once I shook the present and I did not know it was glass and it broke.
I smell the baked cookies in the oven. Sometimes I help bake them.
I taste the best food ever. Sometimes I eat all of it because it is so very good.
I touch the poky leaves on the Christmas tree. Once I yelled ouch!
I feel the warm feeling in my heart. When I feel, I feel special.

**Mesa
Gr. 4P, WES**

Christmas
I see Christmas lights everywhere. Sometimes my family goes on twinkle tours in my grandma's bus.
If I hear my brother yelling on the morning of Christmas I get mad but also excited.
I smell Sadie, my grandma's farm dog coming back from the slough as I pull up to my grandma's for Christmas. This year I got a dog and I'm so excited for my dog Ruby to meet Sadie on Christmas.
I taste a fresh warm turkey. Sometimes I help my grandma and mom stuff it.
I touch silky hockey gloves. Usually I play hockey on me and Jennings rink or my uncle Kendle's rink.
I feel happy, warm, excited. I love that my family celebrates with our whole family, not just my immediate family.

I taste the cookies in my mouth freshly out of the oven. Don’t tell, but sometimes I eat two.
I touch the winter coat with fur on the hood. The hot lights on the Christmas tree when I touch them they’re hot. Once they were cold, but they were off.

Dear Santa,

Hi my name is Jaxsun Tatum. Today I will be writing a letter about all the toys I might want this year. And the purpose of this letter is to make sure you know all the things I have on my list for this Christmas year.

This Christmas I want an Xbox full rotation gaming steering wheel made by Thrustmaster along side with some new shoes. This year I want to read some more of this author called Allan Walker. I also want to wear a fresh smelling sweatshirt and sweater.

After all, I hope I get some of the things on my Christmas list and have a great day.

Question?

How many people do you get on the naughty list a year?

Sincerely,
Jaxsun Tatum

Dear Santa,

Hi, I'm Katie and I'm writing to you about my Christmas list. I hope you read my letter and have a good Christmas!

My Christmas list is quite long, so I don't expect all of them, maybe just a few: switch lite (yellow),

new socks, warriors book 3, Dork Diaries book 6 and 7, floppy ear bunny hat, Pizzzle beads, Harry Potter hat and poster.

So, Santa, I've been wondering, how fast does your sleigh go per hour? Also, don't your reindeer get tired while pulling the sleigh? Well, anyway, I hope you have a great year, and an amazing Christmas!

Dear Santa,

Hello! My name is Aadpreet and I'm writing about my wants and needs. The purpose of this letter is so I will be happy! I think you are very nice too - judging by all the books about you.

Hello again! These are a few things I would like: I would like maybe a new iPad or if that is too much

then just a bigggg doll house with everything that a doll needs, wants and to wear so basically everything for a doll. Something I need is some colouring supplies for school!

I would also like to get something to read! Could you get the demon slayer manga for me, please? I just want one last thing from you. I would like a big comfy hoodie/sweater

with some new pink ski pants and a pink coat to go with it please!

All in all, that was my letter to you, Santa. I hope you can fulfill my wishes. Could you say "hi" to Mrs. Claus for me? Thank you! So good luck! And get ready? My question for you is ... is How old are you?

Sincerely,
Aadpreet Kaur

Dear Santa,

Hi my name is Cullen Veld. I am writing this letter because I'm going to ask some questions. I will ask for something I want, need, something to read and something to wear.

These are some things I want, need, to read, to wear. What I want is an airsoft scope. What I need is new boots. Something I need to read is all of the Diary of a Wimpy Kid books. What I need to wear is a Christmas hoodie.

I have a few questions like what is your favourite reindeer? What is your favourite elf or do you have one? What is your favourite colour?

Dear Santa,

Christmas lights twinkling there's snow on the ground that's basically winter but Merry Christmas! In this letter I will tell you what I want/need for Christmas and maybe some other things.

Okay so what I want for Christmas is "Fire Emblem Three Houses" for the Nintendo Switch. This is not the only thing I want but we were only allowed to put in one want for this assignment. I am sorry if that doesn't make sense. I need Crested Gecko food for my Crested Gecko. I do not have anything I want to read because I am reading the "Wings Of Fire" series and I am only on book four of a fourteen book series. What I want to wear is those little slippers with animals on them. I just think they would be comfy.

In conclusion, I want "Fire Emblem Three Houses" for the switch, Gecko food, nothing to read and slippers. So Merry Christmas and a Happy New Year! But seriously don't forget my presents!

Sincerely,
Marcus Chester

Dear Santa,

Hi, I'm Natalie. I'm writing about what I want for Christmas. The purpose of this letter is so you and maybe other people can know what I want for Christmas.

Here are some of the things that are on my Christmas list. I want a dog very, very badly! I need new shirts or pants. To read I want a Baby Sitters Club book. To wear, I want new sweatpants. Those are the things I want and need!

I hope you can get here well. Also, how's the reindeer and the elves? The elves probably work so hard. Hope you have the best Christmas since it's Covid 19!

Preferable Under Armour or Nike but any kind works. Third, I want Wings of Fire, The Hidden Kingdom. I just started the book series this year and would like the third one. Lastly, I want fake glasses. They have always interested me because I think I could wear them and it would look like something that I wear regularly. One's that are gold rim look cool and I would like them.

Dear Santa,

Hi, Santa my name is Ava Morelli. I love to dance and play volleyball and softball. Sadly there was not a girls hockey team, so I can't play hockey this year.

For Christmas I want a popcorn maker like the one that is at the movie theaters. Something I need is a new toque. I would like a Carhartt toque. I would also like the Babysitter's Club series, the graphic novel. I

would also like some new pants or hoodies. I would like some new pants because some of mine are getting worn out. I would like to get a popcorn maker because I want to make popcorn for my family and for my babysitter.

I would like to know how many houses do you go to around the world? Are all your reindeer

ready to fly? I would really like it if you could make me a popcorn maker. Have a Merry Christmas!!

Dear Santa,

I'm sure you read my name but I am Reid! Ironically I love reading, I am

in the fifth grade, like purple and reading a series of series of books that started with the Percy Jackson series. But I am now on the Heroes of Olympus series just after Percy Jackson!

I really want more time to read in school but I know you can't do that :(So a phone case would be good, my phone is cracked and it's fragile and needs protection. I am clumsy so help me out here. I may need a new pair of winter boots mine are getting small. That's bad because it's the middle of winter right, that's bad don't you agree? I want the Blood Of Olympus that sounds bad let me explain. Its a part of that series Heroes Of Olympus its a book in other words! I am about to finish my Mark of Athena book and I am a fast reader so I will probably finish that and the one after then come the Blood Of Olympus!

Obviously there's more but these are some of the main things I hope you can get me them. If you don't get me these items I will be sad.

P.S. I know your se-

cret Santa not that game though your secret and I will tell everyone else if you don't get me these items! Have a good day!

Sincerely,
Reid Rutz

Dear Santa Claus,

I'm writing to tell you what I want. The purpose of this letter is to tell you my wish list.

This Christmas I only want six wishes. I want to have a dad. I need a spiral kit. I want to read the new graphic novel by Ann M. Martin "Kristy and the Snobs". I want to have a new house robe and slippers. And what I really really want with a cherry on top is a new watch.

Sincerely,
Emerald Lewis

Pokemon cards, Bey-blades and Super Mario Party. Something I need is new shirts. Something to wear is new socks. I want to read The Fourth Stall.

As you know I listed quite a few things so you do not have to get me all of it. I just would really like Pokemon cards, and I'd really like the card Toxtricity VMAX. If you

could get me that it would be awesome!
