### 5SKN DISTRICT GOVERNOR REPORT FOR DECEMBER 2024

**H**ello Lions of 5SKN. Goodbye to 2024 and welcome to the year 2025 – the year that the United Nations has declared 'The International Year of Peace and Trust'. Let us hope and work towards global understanding, compassion, and peace through our deeds as Lions this 2025 year.

This past December, as usual, was a very busy month for all. Along with Lion Shelley, I was welcomed on December 5<sup>th</sup> to the Spiritwood Club's District Governor Visit, where we heard how the Club is making a very positive mark in their area and community.

Clubs throughout the district had many traditional Christmas projects, giving to the needs and enjoyment of those in their area. A number of our Lions Clubs took on 'Operation Red Nose' to raise funds for youth initiatives and to keep our roadways safe during the season of festivities and celebration.

I was very pleased to receive Certified Guiding Lions certificates for nine of our dedicated Lions who devoted the time and effort to assist in developing and rebuilding Clubs in northern Saskatchewan.

GAT leader Lion Gail Haight and PCC Lion Marianne Kramchynsky are organizing a Zoom Guiding Lion course as well as Club Officer training in the near future. Watch for information in the coming days.

Secretaries – remember: a new round of service reporting started January 1<sup>st</sup>. Your Club can be credited for their district and Multiple district for the half year. Clubs, please continue to serve your community needs but get the benefits that come with supporting District, Provincial, Multiple District, Canadian and International Lions projects. This support gives us the pride we feel that, yes, we are working towards improving life globally.

As International President Fabrício Oliveira urges all Lions, "Make Your Mark" as you serve.

I'm really looking forward to a large number of Club visits over the near future, alongside Lion Shelley. So if your Club has not yet arranged a DG visit, connect with Lion Shelley at shejen\_62@hotmail.com. Also, the Lloydminster Lions – my home Club – is hosting a celebration of our 75<sup>th</sup> Charter Anniversary on Saturday, February 8<sup>th</sup>, where ID Marvin Chambers will be in attendance. Contact Lion Shelley for tickets and information

at the mentioned email address or by phone at 780-870-5629. More information on the celebration can be found on Page 8.

Thank you for all you do, Lions.

Thank you,

as the second Early Bird Draw, February 13. Both Draws will be  
held on February 13. All tickets (with appropriate monies)  
returned by then will be included in both draws. Good luck!!

Club and available upon request. Tickets to be sold within Saskatchewan.

The Giving Tuesday Campaign was successful beyond our wildest dreams, raising enough money to fund not just five, but seven dog guides! Thanks to all who made the effort to make their donations despite the postal disruption. And now that the postal strike is over, we hope to engage our supporters who are less comfortable with online giving.

2025 will be a challenging year for our organization as we continue to raise funds for our new facility through The Difference campaign.

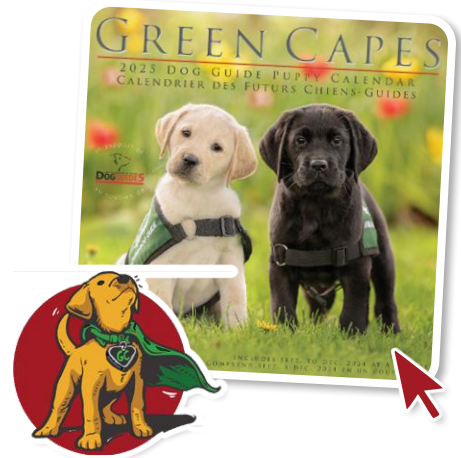

Pledges are still welcome. Once we have moved into our new facility, we'll need to work on expanding our donor base to fund the increased number of dog guides we anticipate being able to train in the new space. Our annual Pet Valu Walk for Dog Guides is a major contributor to our ongoing operations, and we hope to grow the number of Lions Clubs who sponsor a Walk in the coming years. If your Club or community wants to take part, contact [walk@dogguides.com](mailto:walk@dogguides.com) to obtain information and promotion materials. Each year, the Walk is scheduled for the last weekend in May but may also be held at any convenient date as local planning dictates. We are grateful for your participation and have resources to assist in making your Walk successful.

Thanks once more to PCC Gordon Ziegler and the Richmond Lions for the support by way of the annual Blue Jays Weekend Raffle. Due to the postal strike, SLGA agreed to allow the first Early Bird Draw to be held on the same date as the second Early Bird Draw, so let's see how many tickets we can sell in the next six weeks.

And finally, thanks to everyone who purchased the Green Capes 2025 calendars. I know that Prince Albert Lions sold 75, Rosthern Lions sold 50, and I'm sure there were more sold by other Lions Clubs in Saskatchewan. For each \$20 calendar sold, the selling Club keeps \$10. It's a great fundraiser for

In closing, I hope that you had a wonderful holiday with family and friends, and wish you all the best in 2025.

THE DIFFERENCE CAMPAIGN UPDATES

Construction update

This holiday season, the construction of LFCDG's new national training school was progressing on time and remains on track to open in the spring of 2026. With concrete completed, the commencement of steel work is the next step. The image highlights how far the new school has come in 2024.

The new LFCDG school came a long way over the 2024 construction year.

Funds still needed

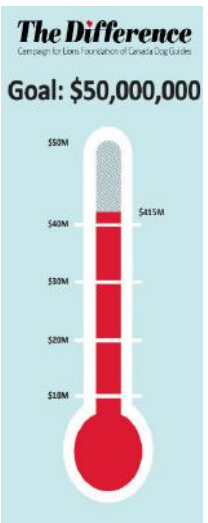

\$8 million is still needed to make LFCDG's home a reality. All donations of \$5,000 or more will be listed on a permanent donor wall in the new Dog Guide training school. Donations of \$10,000 or more could give your Club the opportunity to name areas of the school, but opportunities are going fast as Lions Clubs and individuals reserve their spaces.

Pledges can be made with payments

spread over five years. Donations can be made online on The Difference website or by mail.

Please reach out if your Club would like a presentation about this project.

Committee member

## REPORT FROM 5SKS DIABETES REP PDG ALVIN MATECHUK

**H**appy New Year everyone. I hope everyone had a safe and happy holiday. Diabetes is a disease that is running wild among us. I have been on a few meetings with Diabetes contacts and it's been nice to hear that a few Clubs are bringing in a diabetic nurse to one of their meetings to do a presentation. All you have to do for have a presentation at your Club is give your clinic a call and ask. I know out here in Fort Qu'Appelle, they were more than happy to set up a date and attend a meeting in the future.

Keep the date open: Saturday, May 10<sup>th</sup>, at the Wascana Country Club in Regina – Diabetes Canada is hosting another Pump Couture fashion show. This is an amazing event. All of the models are diabetics who wear an insulin tool. Last year, the models ranged from the ages of four to 93. I am on the sponsorship committee. If your Club, or a business owner you know, would like to do some sponsoring in cash or silent auction items, please reach out to me and I will guide you in the right direction.

This past November, Diabetes Canada set up a new fundraising idea called "Lace Up To End Diabetes". This event is starting to take off in other provinces, but has not been introduced in Saskatchewan. Let's work on it for next year. If you look up 'Lace Up 2024' on Youtube, you can watch last year's clip. If your Club or district is interested, reach out and I will get you all the information on it.

Let's get Lions involved with Diabetes Canada and together, let's work together to help stop this disease.

*Have a great month!*

## 2025 MD5 CONVENTION UPDATE, MAY 30 & 31, 2025 REGISTRATION NOW OPEN!

Since my last convention update, our committee met to discuss sponsorships and early registration incentives. Two new things came out of that meeting. One is the opportunity to be a table sponsor for the Saturday of the convention. For \$250 (Cdn), a Club, district, business, or individual can sponsor a table and have their name and logo displayed all day on a table. There will only be 20 tables available for sponsorship. Please see the form below. The other decision made at our meeting was to put the names of everyone who registers – by March 15<sup>th</sup>, 2025 – into a draw for free registration. Now

that the postal strike has ended, we look forward to being flooded with convention registrations!

To our friends from the United States, you can mail your everyday US\$ cheque/check with your registration form – no need for a Canadian dollar bank draft. We have a US\$ bank account which will avoid the hassle of changing exchange rates.

Our next committee Zoom meeting is scheduled for January 26<sup>th</sup> at 7:00 p.m. Message me if you would like to be added to the invitation.

MELVILLE LIONS CLUB RENEWED

The Melville Lions Club has seen a recent renewal, with four new members being inducted on December 6<sup>th</sup>, 2024.

It did take methodical action to achieve! It all started when Club Treasurer, Stuart Hughes, sent then 5SKN DG Bernie Kramchynsky a note on December 1<sup>st</sup>, 2023, indicating the Club was down to two active members (five still listed at the time) and in danger of folding. He asked for assistance and DG Bernie turned the task over to his GAT Chair, PDG Beryl Bauer, to see if the Club could be helped.

A plan – following LCI’s newly-developed “Just Ask” initiative guidelines – was developed. An April meeting with city council was arranged and attended. A mail-out of the major contributions of the Melville Lions Club over the years was sent out.

A May fundraising event for the Food Bank was organized which included an information component to gather names of potential new members. The event was attended by DG Bernie Kramchynsky, CC Marianne Kramchynsky, and representatives from six neighbouring Clubs. It was a successful team effort; 16 people left contact information! A follow-up breakfast meeting in June resulted in six new members signing up then or shortly thereafter.

A candlelight induction ceremony was planned for December 6<sup>th</sup> and four out of the six new members were able to attend. Again, neighbouring Clubs sent supporters and the evening was a great success. The Melville Lions Club now has 11 members and hopefully more pending, and the Club has been saved for now.

Lion Stuart Hughes, surrounding Lions Clubs’ members, and others did a great job to get things to this point, and their efforts showed that it can be done. Clubs can take the easy route and fold, but then what service efforts does their community receive? It’s possible to grow your Club if you “Just Ask” the right community-minded people, and give them the right information. Past International President,

On December 6<sup>th</sup>, the Melville Lions Club held a candlelight induction ceremony for their four new members. Several other new members were not able to attend but the Club has more than doubled its membership since December 2023.

Brian Sheehan, was right – there can be no success without successors.

LCI is trying to grow to 1.5 million members through **Mission 1.5**. It runs until June 30<sup>th</sup>, 2027. Contact Membership Chair Beryl Bauer, if you want some help initiating growth: 306-231-9987 (phone or text), or email [bbauer@sasktel.net](mailto:bbauer@sasktel.net).

\$15,000 DONATION TO  
TURTLEFORD LIONS CLUB!

The Turtleford Curling Club recently donated a very generous \$15,000 to the Turtleford & District Lions Club.

Although the Club is very happy to receive such a large donation, they note that it is unfortunate that the reason they are receiving the funds is due to the dissolution of the curling club. The Lions thank them for all the years of service to the Turtleford community. The \$15,000 will be used to give back to the community through future projects and donations.

On behalf of the curling club, Glen Simkins and Sever Rose present Turtleford Lions Club Treasurer Red Pearce with \$15,000.

# LLOYDMINSTER LIONS DELIVER WARM WISHES

Lloydminster Lions along with 2024 Sock Drive recipients, pictured left to right in above three photos: Colleen (Director, Spark Foundation Youth Centre); Deborah Munroe (Executive Director, Lloydminster Native Friendship Centre); Kyle (Director, Lloydminster Interval Home).

The Lloydminster Lions Club was busy during the last couple months of 2024; they held their annual Lions Sock Drive For Cold Feet in an effort to make sure nobody in their community went without cozy socks, toques, or gloves this winter.

Then on December 24<sup>th</sup>, Club members delivered those items to the Lloydminster Native Friendship Centre, Lloydminster Interval Home, and Spark Foundation Youth Centre – all three places then distributed the items to those in need.

The Club thanks Lloydminster, the volunteers, and Lions for making their Sock Drive successful again this year!

## SCHOLARSHIP WINNER –

In early December, Lloydminster Lions Club member Rick McMahon presented a \$750 scholarship cheque to Lloydminster Composite High School Vice Principal Lisa Spence. Lisa collected the cheque on behalf of the Club's 2024 recipient, Emry Marchand, who was also the school's 2024 Valedictorian. Congrats, Emry!

# DISTRICT 5SKN PEACE POSTER NEWS

The Lake Lenore Lions Club once again sponsored a Peace Poster contest in Lake Lenore and neighbouring St. Brieux schools this year. A poster by Lauryn Strueby placed first from Lake Lenore school while a poster by Claue Angcaya placed first from St. Brieux School. Both posters were then sent to the 2024 Fall Saskatchewan Convention to compete for the provincial title.

5SKN PDG Beryl Bauer stands with St. Brieux School student Claue Angcaya and her winning Peace poster.

Lake Lenore School student Lauryn Strueby shows off her winning Peace poster alongside 5SKN PDG Beryl Bauer.

The poster by Claue won first prize there and went on to the MD5 Council meeting, where it won first prize once again. It was sent by MD5 Council Chair to LCI for possible further honours. There is no word on results yet.

The two posters by Claue and Lauryn's will appear in next year's MD5 calendar. The contest certainly gets students who are 11 to 13 years old to think about peace and express what they feel about the topic through their posters. If a student would win first at the Lions International level, the student would receive a trip to wherever the International Convention is being held (Orlando, Florida this July) and \$5,000 USD! We wish Claue good luck!

Our Club would like to thank North Battleford Lion Doug Reid for promoting this contest in our District. Please promote it in your school next year.

## BROADVIEW LIONS CLUB NEWS FROM DECEMBER

December was a very busy month for the Broadview and District Lions Club, with many community events taking place. On the 8<sup>th</sup>, the Club hosted a Seniors' Christmas Celebration for the Broadview and area seniors. There was no cost to attend and was a way for the Club to honour the seniors and show appreciation for the support received for the *Chase the Ace* and \$52 annual lottery fundraisers.

Doors to the Broadview Community Centre opened at 2:30 p.m. while guests entered to the accordion music provided by a local resident. President Lion Don Little welcomed and thanked guests for attending, then another local musician entertained the crowd before new Lions member, Adam Wykes, sang and played his electric ukulele.

Throughout the afternoon, Santa Claus (aka Lion Kelly Wionzek) mingled with the more than 50 seniors from the community and surrounding area. A group Christmas sing-along preceded the free supper meal of turkey on a bun, coleslaw, all the fixings, and dessert – all prepared and served by the Broadview Lions Club members and spouses. Beverages were also provided throughout the event.

The holiday socializing celebration concluded with Lions members singing “We Wish You a Merry Christmas” before guests departed into wintery outdoor mixed precipitation conditions.

The following week, on Thursday and Friday, December 12<sup>th</sup> and 13<sup>th</sup>, six Lions members assisted the Broadview School with preparing and serving food to the students and staff at their annual Christmas noon meal.

The Lions Club participated in the local resident-organized Christmas Parade, held in Broadview on the evening of December 20<sup>th</sup>. Businesses and individuals were encouraged to

# A MESSAGE FROM YOUR 5SKS GAT COORDINATOR 2024-2025

2025 is here and it's time to ramp up the training for our District Lions. Shortly, I will be releasing a Club Survey to try to establish some of the Officer and Club training that our Lions need. This will also impact the format and content of the spring Club Officer training to be carried out in April/May.

The December lull is now a fading memory and the new year is calling for the training to resume. In the past, I have asked Clubs to contact me should they want training to be provided to their Clubs – specifically Orientation sessions. Again, don't hesitate to send me an email or give me a call if you need more information about this.

I hope all of our Lions had a great Christmas holiday season and that the new year will be a good one. Keep your service projects running, report that service via the 'portal' and ask people you come in contact with if they have ever considered joining our organization. It's in all of us to just ask!

Keep an eye out for a 'Club Training Needs' survey coming your way – read it over and get that back to me as soon as possible. I really do appreciate the input, and I will do my best to help you with your training needs.

**PCC JIMMY CARTER**  
**Plains, Georgia**  
(1924-2024)

Former United States President Jimmy Carter credited the world of Lionism as a positive factor in shaping his life. He once said, "I would have never been ambitious enough to run for Governor of Georgia. I would have never dreamed of being President of the United States if it were not for the Lions."

Mr. Carter followed in his father's footsteps and joined the Plains Lion Club in 1953, a week after he resigned from the navy. During his term as Club President (1957-58), the Plains Club built and began operating a community swimming pool. They were also involved in blindness prevention projects in Georgia and Honduras.

Lion Carter found that Lionism was a great way to engage in public service. It helped him to expand his horizons and he credited the many lessons he learned while serving his community with helping him in his career as a politician and peacemaker. He says the Lions' commitment to service showed him the importance of caring for others.

Being Zone Chairperson, District Governor, and Chairperson of the Council of Governors in Georgia gave him a visible involvement with the Lions. This high profile with the 208 Clubs throughout the state of Georgia helped him immensely with his campaign for Governor in 1970. During his presidential campaign in 1976, he stated that his "civic involvement as a Lion contributed to [his] identity as a community leader."

After leaving the White House, Mr. Carter and his wife, Rosalynn, founded The Carter Centre in 1982. Its mandate was to advance human rights and diminish human suffering around the world.

In 1994, the Carter Centre partnered with Lions Clubs International Foundation (LCIF) SightFirst programs and focused on two blinding diseases – trachoma and river blindness. River blindness is a vector-borne parasite disease that leads to blindness, and trachoma is the leading infectious cause of blindness worldwide.

From 1994 to 2018, the partnership resulted in more than 236 million treatments to eliminate river blindness and over 177 million treatments to halt the blinding effects of trachoma. Over 799,000 sight-saving surgeries to reverse the advanced stage of trachoma have been performed, and more than 3.2 million latrines have been built to reduce transmission of infection. Since 1994, LCIF has approved more than 60 river blindness and trachoma grants totalling over US\$67 million.

PCC Jimmy Carter passed away peacefully on December 29, 2024 at the age of 100. His life was a true example of service and commitment to others. His spirit of compassion and service inspires us to act for a better world. May we honour his memory by continuing his work and embodying his values of empathy and community service.

## LIONS OF CANADA FUND FOR LCIF

Almost 55 years ago, our International leaders founded our Lions Clubs International Foundation. Since then, LCIF has given globally over US\$1 billion in grants. Many of those grants have come to Canada to help Districts & Clubs serve their communities.

All grants are administered by local Lions Clubs. 100% of the funds donated go to the cause.

Dollars given to LCIF make possible the "Power of We" – the power to let us do more by working together.

**Donations made through 'Lions of Canada' will receive a charitable donation receipt recognized by the Canada Revenue Agency**

Cheques can be made out to: "Lions of Canada Fund for LCIF"

# LIONS OF SASK TO SUPPORT RONALD McDONALD HOUSES

When a child is ill or injured, parents & caregivers focus all of their energy on helping the child. They need to be close to the hospital or medical centre where their child is receiving treatment.

## THEY NEED A RONALD McDONALD HOUSE!

The Ronald McDonald House in Saskatoon supports approximately 800 families each year.

HOWEVER, this current house accommodates only 20-30% of the pediatric families in Saskatchewan who need the support – and only those with children treated in Saskatoon!

It is vital that we build Ronald McDonald Houses in Prince Albert and Regina to serve families served by health services in these regions of the province.

To meet these needs, \$22 million is needed to build Ronald McDonald Houses in Prince Albert and Regina.

Keeping families close™

## WHERE THERE IS A NEED, THERE IS A LION!

The Lions of Saskatchewan have committed to raise \$200,000 toward this project – to be matched by an LCIF Grant. This total of \$400,000 would allow the naming of certain facilities in these Houses.

## As a Lion, how can you help?

- **Ask your Club to make a donation!** Make your donation to the Saskatchewan Lions Foundation, which will serve as the financial vehicle for collection of funds. All donations are eligible for Marvin Chambers Fellowships or Progressive Marvin Chambers Fellowships.
- **Make a personal donation!** Your personal donation can also be credited toward a Fellowship, and you will receive a charitable donation receipt.
- **Ask someone in your community** who appreciates the existence of these Houses. They can also make a donation, and receive a charitable receipt.

Send all donations payable to  
**'Saskatchewan Lions Foundation' to:**

Saskatchewan Lions Foundation c/o Don Tait  
Box 789, Wadena, SK S0A 4J0

*Indicate in the Memo section that  
this donation is toward the 'RMH Project'*
