5SKS DISTRICT GOVERNOR REPORT FOR JANUARY 2025

February is Heart month, and on the 15th, Lions International will recognize International Childhood Cancer Day. We can be proud of the contributions the Lions of Saskatchewan have made to the Children's Cancer Clinic in Regina. Clubs can continue to make donations to LCIF to support childhood cancer projects and I would invite you to consider making such a commitment this month.

We are encouraging Clubs to use the portal to regularly update membership lists and report what you are doing. Whether it is a Club meeting or an

activity you are doing in the community, it is important to record it. You can now find step-by-step picture instructions to help you navigate the portal and I encourage you to please ask for assistance if you are having trouble.

The information recorded goes directly to LCI and impacts our district goals and the work we do. Thank you for helping with this important task.

We are so excited about the new members we are inducting into Clubs! The work you are doing to recruit and retain members is truly appreciated; we are at a net loss of one when it comes to members in the district, and with con-

tinued effort, we should be able to see positive growth. The more members we have, the more service we can do. The more service we do, the more members we attract – and, the more impact we have in our communities.

Great things are happening in our district and I enjoy learning about them at Club visits. I am looking forward to setting up more of those visits in the coming months and hope to see many of you at the Lions' Provincial Curling Spiel being held in Burstall on March 1st and 2nd.

Keep on serving, Lions! You do make a difference. ♥

Yours in Service,
-Lion Heather Vermeersch,
5SKS District Governor 2024-2025,

5SKN DISTRICT GOVERNOR REPORT FOR JANUARY 2025

Hello to all Saskatchewan Lions! Lion Shelley and I have been putting on the kilometres. We have been able to officially visit with 15 Lions Clubs that are serving their communities in awesome ways – ways that give them that warm feeling of knowing that they are making a difference in lives. It is really cool and not just because it's January. Clubs are having a blast with the fellowship that the many fundraising and service projects provide.

I find that the preparation for each new District Governor visit is somewhat time-consuming but very

rewarding for me as I learn more about what District 5SKN Clubs recognize as the needs and priorities that

they want to address. If your Club has not connected with Lion Shelley regarding a DG Visit, please connect with her at shejen_62@hotmail.com or phone 780-870-5629.

Thank you for all you do

5SKS 1ST VICE DG's JANUARY 2025 REPORT

Greetings Lions! Lots of training going on in my world to prepare me for the year ahead as your DG! Which is a good thing – more is better than less! Shout out to the volunteers who work tirelessly so we can all succeed. I'm looking forward to meeting and sharing ideas with all the First Vice District Governors from around the world in Oak Brook, IL next week.

Yours in Service,

Our Zone 2 Roundup Rally in January was postponed to Saturday, February 8th due to very icy road conditions. Shout out to the Eaton Lions Club for stepping up to cook chili and host on the new date – February 8th. We will focus on Club successes, driving membership, social media, and service. Our Service Project is “Soles for Souls” so please bring your gently-used shoes. Also Lion Clint Hoffman (306-460-7776) needs to know by February 5th how many from your Club will be attending. Find the details >>HERE<< or on Page 12.

I'm currently working on filling our 5SKS Cabinet for the 2025-26 year. If there's a position of interest to you, please let me know. Meanwhile, we are still looking for Zone Chairs for Zones 2, 3 and 5. It's a great way to connect with and help Clubs in your area and support your DG Team – we need you!

February, March, and April are the best months for me to visit your Club. If I haven't already done so, I'll be reaching out to confirm a date soon. I'll do my best to make something work! Visiting Clubs is my favourite part of this role!

LCIF GRANT APPROVED FOR RONALD McDONALD HOUSE NOW LIONS OF SASK ARE NEEDED TO FINISH FUNDRAISING TASK

This week, Lion Garnet Davis announced approval of the LCIF Grant that was applied for in order to secure funding for equipment at the new Ronald McDonald Houses in Prince Albert and Regina. The \$142,561 (USD) Grant was approved at the recent Board of Trustees meeting, and will help to provide the kitchen equipment, some of the laundry equipment, equipment for the Mother's Room, and some recreational equipment for the new Houses in Regina and Prince Albert.

The Grant is a “matching grant”, which means the Lions of Saskatchewan are required to match the funds before they are dispensed. Using the current exchange rate, that means that the Lions of Saskatchewan need to provide approximately \$205,000 (CDN). The current fund stands at about \$164,000 raised or committed. THAT MEANS THERE'S \$40,000 TO GO!

What's the timeline? The construction of the two Ronald McDonald Houses is currently scheduled to begin this spring. We must have the “matching funds” in place before we access the Grant, and that is to be done within 6 months. **SO ACT NOW!**

Contributions or commitments to date include the following:

District 5 SKN: Prince Albert,

\$2,000; Rosthern, \$3,000; Nipawin, \$2,000; Unity, \$500; Dorintosh, \$500; Meadow Lake, \$2,000; Spiritwood, \$2,000; Tisdale, \$2,000; Saskatoon Millennium, \$2,000, Historic Battleford, \$250; Saskatoon, \$10,000; Preeceville, \$2,000; Goodsoil, \$3,321; Lloydminster, \$1,000; Lake Lenore, \$2,000; and Martensville, \$5,000.

District 5 SKS: Broadview, \$200; Lumsden, \$3,000; Carlyle, \$42,950; Cabri, \$5,000; Richmond, \$2,000; Regina 35, \$2,500; Regina Beach, \$500; Regina Lakeside, \$35,000, Katepwa, \$613; Bethune, \$5,000; Eston, \$5,000; Fort Qu'Appelle, \$2,000; Piapot, \$1,000; District 5SKS DG Charity, \$5,000.

Also, 17 individuals have made PERSONAL contributions totalling \$14,373!

NOT ON THE LIST? IT'S NOT TOO LATE. Make your contribution to the Saskatchewan Lions Foundation, designated for Ronald McDonald House, and send to Saskatchewan Lions Foundation, c/o Lion Don Tait, Box 789, WADENA, SK S0A 4J0.

For individual donations, a tax receipt is issued for use as you complete your income tax. All contributions are eligible for Marvin Chambers Fellowship recognition.

LFC The Difference Campaign, update

More money = better facility = more dog guides = a better world ...and we Lions will make it happen!

Canadian Lions and Lions Clubs are contributing mightily towards the new Lions Foundation of Canada Dog Guide HQ and training facility.

Some 73 Saskatchewan Lions sources (Clubs, districts, PDG Association, etc.) have contributed \$204,944.55! This total includes some pledges not yet received but not some other pledges which are intended but not reported to LFC. It also does not include monies received through purchases of Judge Brian Stevenson Fellowships.

On the national scene, 507 Clubs (35 percent of all Clubs in Canada) have donated some \$4,000,000 towards our goal of \$4.5M. The overall goal of \$50,000,000 has been three-quarters reached with a total of \$41.5M received so far. Whether or not your Club has supported this worthy cause already, please help reach our goal by donating before the Campaign ends on June 30th.

UPCOMING MAJOR LIONS EVENTS

2025 MD5 MULTIPLE DISTRICT CONVENTION UPDATE FEBRUARY 2ND, 2025

Our convention committee had a very constructive Zoom meeting on Sunday, February 2nd, 2025 to discuss the upcoming MD5 Convention. We are now working on revamping the program to allow our delegates to take in the convention essentials and still have some time to explore all that Dakota Dunes and the Saskatoon area has to offer. Our next meeting is scheduled for February 23rd to hammer out details of the program.

To date, we have 22 people registered for the convention on May 30th and 31st. We know we should have at least 120 people coming – please make that reservation with Dakota Dunes at 1-306-668-1888 or 1-833-987-1888 (toll free). We have 100 rooms set aside until April 25th. Please register as soon as possible to qualify for the Early Bird registration draw for a free registration. The Early Bird deadline is March 15th, 2025.

To our friends from the United States, you can mail your everyday US\$ cheque/check with your registration form, no need for a Canadian dollar

bank draft. We have a US\$ bank account which will avoid the hassle of dealing with our ever-changing exchange rates.

Fundraising is ongoing, and we would be happy to see more clubs, districts and businesses contribute to our event at whatever level of sponsorship works for their budget. We have tiered sponsorships ranging from \$500 to \$5,000 or more, Saturday Table Sponsorships for \$250, and we are looking for Silent Auction and Door Prize items as well. If you need a form or more information, feel free to contact me. It is through sponsorships that we can make this convention the best it can be.

I am very pleased to announce that Past Council Chair Tim Haight has agreed to act as Co-Chair of the convention as I have a serious health issue and am awaiting dates and details of the proposed course of treatment. With an experienced Co-chair in place, we will not have any gaps in planning and organizing our convention.

Our next committee Zoom meeting is scheduled for February 23rd at 7:00 p.m. We are seeking Lions

who can take on specific tasks, such as setting up and running the Hospitality Room, putting goody bags together, emailing registrants, printing programs and other documents, hosting our International Guest, and so on.

Message me if you would like to be added to the invitation or assigned to a task.

LAKE LENORE LIONS CLUB HOLDS SUCCESSFUL 15TH ANNUAL FISH DERBY

The Lake Lenore Lions Club held their 15th Annual Fish Derby on Saturday, January 18th. Despite the cold temperatures, it was another great success! **371 people of all ages registered.** While many were from Lake Lenore and communities nearby, the entire province of Saskatchewan was well represented.

The support from entrants is greatly appreciated. So, too, are the great sponsors the Lions have. In addition to the cash prizes, the Lions were able to give away 30 significant prize packages thanks to that sponsor support. Those fishing were certainly happy with the variety and value of the prizes.

THE WINNERS:

The biggest fish, a 3.71 pound pike, caught by **Chris Johannsen** from Raymore netted him **\$6,674.80!** Second place for a 3.35 pound pike went to **Glen Gerwing** and fishing buddy **Ryan Yeager** from Lake Lenore. They received **\$3,337.40.** Third place went to **Jeff Thorlaksen** from St. Brieux for a pike that weighed 3.09 pounds. He won **\$2,002.44.** Fourth place went to **Jerod Pask** from Melfort. His 3.05 pound pike was worth **\$1,334.96.** **Jacoby Carr** from Humboldt earned **\$500.00** for a 3.0 lb walleye from sponsor Horizon Fertilizers. The Lakeview Insurance **\$250** prize for the largest perch was won by **Richard Gies.** His name was drawn from all entries as no perch were caught!

Winners for the other 30 great prizes were drawn from all entries. Those prizes consisted of ice augers, a fish flasher, a fishing camera, fishing tents, a mini fridge, several sleds full of fishing accessories, other fishing packages, a Bradley Smoker, Big Buddy Heaters, fishing rods, winter clothing, and gift cards ranging from \$200 to \$350 in value. Other smaller prizes were handed out as fish were brought in. **Trey Poitras** from Edenwold won the **50-50 draw**, which netted him **\$4,850!**

The Annual Fish Derby is the biggest annual

fundraiser for the Lake Lenore Lions Club and once again this year, it raised close to \$20,000! Lions' donations go towards community, district, provincial, national, and even international needs. Plans for this year's earnings will include the usual, but helping with planned Recreation Centre upgrades, ball diamond upgrades, and possible community hall renovations are front and center.

The Lions give a big shout out to their many community helpers, to all those who participated by fishing, and to our valued sponsors who make this event possible.

Thank you; thank you; thank you.

All entrants will be asked for input on future derbies via an online survey. Comments are welcome and the more participants in the survey the better.

PRINCE ALBERT LIONS CLUB HOSTS ANOTHER SUCCESSFUL OPERATION RED NOSE CAMPAIGN IN 2024

The Prince Albert Lions Club hosted another successful Operation Red Nose program in 2024. This was the thirteenth year the Prince Albert Lions Club has hosted the program in Prince Albert and area.

The program provided 148 rides over the nine nights of operation during the holiday season. Volunteers delivered a total 347 people safely home in their own vehicles. Seven Lions and 17 community volunteers put in over 600 hours during the season to keep the city streets safer. The volunteers drove almost 2,400 kms, taking people home. \$4,200 was donated by the people who were grateful to get home safely. Local businesses also donated over \$5,000 to assist with operating costs and for the program.

As usual, New Years Eve was the busiest night. We had five teams operating and made 30 trips driving 76 people home, logging 393 kms, and raising \$970.

The Prince Albert Lions Club and Operation Red Nose would like to thank the volunteers and the local businesses that assisted in sponsoring the program:

- The Coronet Hotel provided us with a comfortable headquarters again this year.
- Anderson Motors, Lakeland, Ford and Lakeland Hyundai provided their shuttles to use as escort vehicles.
- Food was provided by Boston Pizza, Domino's Pizza, Red Swan Pizza, TJ's Pizza, and Old Dutch. Tim Horton's kept the volunteers well-caffinated along with Tim Bits.
- Unitech Business Solutions provided printing services for posters and business cards.
- The Jim Pattison Broadcast Group, *Prince Albert Daily Herald*, and *Prince Albert Shopper* helped get word out about the program.

Cash donations were received from Diamond North Credit Union (who also had a number of staff volunteer their time to drive people home), Cornerstone Insurance, Northern Lights Community Development Corporation, and Carlton Honda, and Prince Albert Toyota to assist with program expenses.

Without this support it would very difficult to help keep our streets safe.

Several elementary schools benefit from Operation Red Nose

As a result of the 2024 Operation Red Nose program, the Prince Albert Lions Club was able to donate \$700 to each of the eleven Prince Albert and area elementary schools.

Schools benefitting this year were: East Central, King George, Osbourne, Princess

Left to right: Colleen Morrow (Diamond North Credit Union) presented a \$2,000 cheque to Prince Albert Lion President Suzanne Bantle and ORN Chair Lion Randy Braaten.

Margaret, Queen Mary, Spruce Home, St. Anne, St. Francis, St. John, St. Michael, and Westview.

The schools expressed their appreciation for the funds. They plan to use the donations to support a number of youth activities such as Land-Based Education, new sports equipment, and transportation to and from their school events.

HOMEMADE SAUSAGE CONTEST PUT ON BY WILLOWBROOK LIONS

The Willowbrook Lions Club held their 'Famous Sausage and Perogy Supper' on Saturday, January 25th.

The event featured 13 homemade sausage entries, and just as many sponsors. Attendees headed out to the Willowbrook Community Centre to enjoy an evening of delicious food and cocktails.

5SKN MEMBERSHIP NEWS – JANUARY 2025

News on the membership front seven months into this Lions' year is mixed. Despite several notices/requests/suggestions via writeups/phone calls, etc. to many Clubs, (all Clubs, in the case of *Pride* newspaper articles), we still have not achieved a positive net growth! Not to worry. Five months to go before this Lions' year ends so there is lots of time to help with Lions International's **Mission 1.5**. Refresher: LCI is campaigning to hit 1.5 million members worldwide by June 30th, 2027. (Currently 1.35million) The District target is to be plus 100 by then! I've suggested actions to ALL Clubs over the last two years; actions like Club SWOT analysis, Community Needs Assessment, Community Newsletter sent out outlining what Clubs have done historically – or even in the last five to 10 years, requests for "Just Ask" presentations by someone at the Zone level or even at Club

- IPDG Beryl Bauer, GMT
bbauer@sasktel.net | 306-231-9987

We'd like to see at least one new Club before June 30th.

meetings, finding out who the community go-getters are and approaching them for help, having a Membership Chair for YOUR Club, holding a recruiting event such as a breakfast or evening social, etc. However, Clubs still have to follow up with concrete action. It takes a TEAM to achieve goals, but most of all, it takes action.

As of the end of December 2024, the **District Club Net Growth was minus 24**. There were 41 new members added since July 1st but there were 65 dropped members. That put the district at 1,008. More new members joined in January but there's a delay between when new members join and when they are listed on LCI reports. This means we may show a gain but that will depend on how many Clubs dropped members in late December.

We lost one Club (Dundurn) but a few more Club losses could happen due to circumstances beyond district control. New Clubs get us the most immediate gain but they take a great deal of time, effort, and teamwork.

We'd like to see at least one new Club before June 30th. If you have any leads/suggestions of possibilities, let me know (or contact someone on Cabinet). We saw one new Club in 2023 (Humboldt) but that was the first in over 25 years!! Adding new members to existing Clubs is the route we are doing a reasonable job of. **16 Clubs** have signed up new members since July 1st, but it's the NET GAIN DISTRICT-WIDE that counts.

We have 53 Clubs and we were hoping for a net gain of two members per Club! We are at less than 40 percent of that target. You can help by asking. It does work. Call me if you want helpful tips or specific assistance. 306-231-9987.

ARE YOU FEELING LUCKY?

The Rhein District Lions Club is holding a 50/50 Raffle this year, to be drawn on St. Patrick's Day – March 17th!

The tickets are just \$10 each! To get yours, contact any Rhein District Lions Club member, or Betty Zrudlo at 306-621-3455.

SOUTHEY LIONS PROVIDE FUNDS FOR EQUIPMENT

Mid-January saw the Learn-to-Curl program in full swing for Southey students Grades 4 to 6, where they have been enjoying learning all the aspects of curling. Around 25 students are involved, happily using the Southey Curling Rink provided by the Southey Curling Club and the 15 new sliders purchased by money donated by the Southey Lions Club.

The Southey Lions Club is proud to support the youth in many ways, including their sports endeavours.

Mileage coverage & compensation for Club visits

Zones 2, 3 & 5

Have you served as a President for your Club? Are you able to talk to people? Can you communicate using email? Would you be willing to do a Zoom meeting once a month? Are you willing to travel a bit & visit fellow Lions who live in your area?

We need your help!!!

We are looking for Zone Chairs in the western half of our district. We will train you, support you, and provide you with all the information you need to share with Clubs in your zone.

We are searching for individuals who will be the contact person and the go-between connecting Clubs to the happenings in the district and enabling the District Governor Team to know what needs Clubs have.

This is not a difficult task but it is a critical one for our district. Please consider putting your name forward to help ensure we have a Zone Chair in each of the 9 zones in our district.

A Zone Chair is the link between Clubs and the DG team. We need individuals – **who have not been DGs and have not served as Zone Chairs in the past** – to step up and help us out.

Please get in touch for more information:

OXBOW LIONS CLUB DONATION BRINGS LOCAL HOSPITAL FOUNDATION CLOSER TO GOAL

In December, 2024, St. Joseph's Hospital Foundation members were excited to accept a \$5,000 donation from the Oxbow Lions Club.

As of January 29th, the Foundation was able to share that the incredible generosity of the local community means that they have \$4,743,108 of their \$6,500,000 goal to bring MRI services to St. Joseph's Hospital.

The milestone brings them closer to transforming healthcare in the region, reducing wait times, and ensuring patients receive the care they need closer to home.

Lion Ken Hood and the Oxbow & District Lions Club presented \$5,000 towards new MRI equipment at St. Joseph's Hospital.

KATEPWA AND DISTRICT LIONS CLUB NEWS

Katepwa and District Lions hosted a Zone 8 meeting on January 25th. We enjoyed brunch and fellowship with many Lions from within our zone. We discussed how we might support our Clubs and shared strategies for attracting new members.

Our Club appreciates the support it received from District 5SKS – bringing greetings from 2nd Vice District Governor Shelley Carroll and information from Cabinet Communications Secretary Ann Barnsley, who spoke about the importance of reporting service and membership. PDG Alvin Matechuk made a presentation about campaigns for Diabetes and PDG Dennis Feduk donated pies for auction.

The Katepwa and District Lions Club hosted the January 25th Zone 8 meeting.

We are currently preparing for our annual Family Ice Fishing Tournament to be held Saturday, March 8th at Katepwa Lake. Please see the poster shown at left for more information.

Our Club continues to work on bringing in new members. This Lions' year, we brought in five new members and an LLIT (Littlest Lion in Training!).

At right: Littlest Lion Kyra comes to every meeting but often has to leave a little early...

LIONS OF SASK TO SUPPORT RONALD McDONALD HOUSES

When a child is ill or injured, parents & caregivers focus all of their energy on helping the child. They need to be close to the hospital or medical centre where their child is receiving treatment.

THEY NEED A RONALD McDONALD HOUSE!

The Ronald McDonald House in Saskatoon supports approximately 800 families each year.

HOWEVER, this current house accommodates only 20-30% of the pediatric families in Saskatchewan who need the support – and only those with children treated in Saskatoon!

It is vital that we build Ronald McDonald Houses in Prince Albert and Regina to serve families served by health services in these regions of the province.

To meet these needs, \$22 million is needed to build Ronald McDonald Houses in Prince Albert and Regina.

Keeping families close™

WHERE THERE IS A NEED, THERE IS A LION!

The Lions of Saskatchewan have committed to raise \$200,000 toward this project – to be matched by an LCIF Grant. This total of \$400,000 would allow the naming of certain facilities in these Houses.

As a Lion, how can you help?

- **Ask your Club to make a donation!** Make your donation to the Saskatchewan Lions Foundation, which will serve as the financial vehicle for collection of funds. All donations are eligible for Marvin Chambers Fellowships or Progressive Marvin Chambers Fellowships.
- **Make a personal donation!** Your personal donation can also be credited toward a Fellowship, and you will receive a charitable donation receipt.
- **Ask someone in your community** who appreciates the existence of these Houses. They can also make a donation, and receive a charitable receipt.

Send all donations payable to 'Saskatchewan Lions Foundation' to:

Saskatchewan Lions Foundation c/o Don Tait

Indicate in the Memo section that this donation is toward the 'RMH Project'
