5SKS DG Page Newton's January 2026 Report

Greetings 5SKS Lions!
2026 is off to a galloping start! We continue to grow our membership with 49 new members in our District – way to grow! I know all Clubs are working hard to reach our June 30th goal of 134 new members. We have 70 Clubs in our District, so if each Club were to add one or two new members before June 30th, we can easily achieve this!

SVDG and Zone 2 Chair, Lion Blair Nixon sits beside 5SKS DG Page Newton during the Zone 2 Rally / DG Visit on January 22nd in Leader, SK.

We are Lions and "We Serve". When we grow our membership, we grow our service. New members mean more hands and they are also a great resource for new service ideas! I encourage you to embrace their ideas and help them run with them.

Now let's chat about growing our Leadership. Shout out to Zone 2 Chair Lion Blair Nixon of the Leader Lions Club. In January, he met the requirements to serve as our 2nd Vice District Governor for 2025-2026. We are thrilled to have Lion Blair serve in this role!

For those of you interested in growing your leadership skills, please consider attending the Regional Lions Leadership Institute (RLLI)

hosted by MD5, March 22nd through 24th in Estevan, SK. District 5SKS will cover your registration fee and mileage. Applications are due February 11th. See the RLLI promo poster on Page 8 or [>> here <<](#), and the Application Form file [>> here <<](#).

Thanks to GLT Coordinator Lion Brian Nekurak for hitting the road with me in January and February for our DG Evening/ Zone Rally Tour! To date, we've had five great Zone Rallies, hosted in Sovereign (Zone 3), Piapot (Zone 4), Leader (Zone 2), Lumsden (Zone 6), and Bienfait (Zone 7). Next week we are in Fillmore (Zone 9), Kipling (Zone 10), and Fort Qu'Appelle (Zone 8). It's great getting together with Clubs in "our neighbourhood" to learn about their service and fundraising activities, and having a few laughs as we "Up our Leadership Game". Great job Zone Chairs! I hope this model will continue into next year.

Meanwhile, I'm still filling up my calendar

with Club visits. Please reach out directly to me (or FVDG Shelley Carroll) and we will get together! We love learning what your Clubs are doing to serve your communities.

Thanks for continuing to "Giddy Up"!

-Lion Page Newton,
5SKS District Governor 2025-2026

E: LionPageNewton@gmail.com
Ph: 403-376-0760

Reminder to Club Secretaries and/or Admins -

Please report your Club's service in the portal.

To date, we are at 38% Clubs reporting.
Last year, 74% of our Clubs reported.

Interested in Upping your Leadership?

We still need Zone Chairs for Zones 1, 5 & 7!

5SKN DG Brian Starkell's January 2026 Report

First of all, I have two "Thank You's".
A special thank you to Teri of *The Lion's Pride* for contacting me when I missed the deadline for my article – I had marked the wrong date in my calendar. 5SKS 1st Vice DG Shelley Carroll's January 2026 Report

January was a new month in a new year. I had a couple of visits in Zone 7 as we are still looking for a Zone chairperson down here. If someone is interested in representing the Clubs in Stoughton, Estevan, Bienfait, Lampman, Oxbow, Carnduff, and Gainsborough please reach out to me or DG Page.

During my visits in Oxbow and Carnduff, I had the

pleasure of inducting two new members in each Club. I also presented numerous Chevrons, including two awards in Oxbow for 65 years of service to Ken Spearing and Ken Hood. Congratulations, gentlemen!

Numerous Zone Rallies are being celebrated in 5SKS. A few in January in the west of the province and then Rallies on the east side in February.

I have been busy with DGE training and will be very busy again in February with virtual lessons.

I hope everyone has a productive month in February.

At left: Carnduff Lions Club President Bonner Lamontagne presenting a cheque for District Governor charities.

Oxbow Lions Club new members Tony Young and Callum Spearing stand beside FVDG Shelley Carroll, and their sponsors.

Yours in Service,
-Lion Shelley Carroll,

FOUNDATIONS, INITIATIVES, CAMPAIGNS

Diabetes News and Updates from PDG Alvin Matechuk

Greetings, Saskatchewan Lions. I have to say that I have heard a lot positive things about what's happening in our Clubs this year, which is great.

I have some good news about the Diabetes Canada Pump Couture fashion show – it is a go again this year. Bigger and better. It will be held on May 2nd at the Conexus Arts Centre in Regina – a larger venue was needed this year!

When I have more details about when

the tickets will be released and how to get them, I will let everyone know.

I am helping out with fundraising again, so if you have any questions, feel free to reach out any time.

Please remember that any and all funds raised at the fashion show will stay in Saskatchewan and go to our Diabetic Camp at Christopher Lake. The camp is called Camp Kornder, and its being held August 16th through 21st.

If you would like more information about the camp, reach out to me and I will help out as much as I can or check it out online at the following:

Lions Foundation of Canada Blue Jays Weekend Raffle Update & More

Blue Jays Weekend Raffle tickets and payments are still coming in – and in time for the \$500 Valentine’s Draw on February 13th. One Club has reported submitting tickets which seem to have

been lost in the mail. If your Club hasn’t had a response after mailing tickets and cheque, please call Lion Gordon at bgziegler@gmail.com and new tickets can be issued.

New participating Clubs in the last

month include: Regina Beach, Churchbridge, Tugaska, Historic Battleford, Burstall, Estevan, Windthorst, Christopher Emma Lakeland, and Elrose Lioness.

Total ticket sales from 92 Clubs as of February 2nd is \$22,605! The amount is just a little shy of our all-time record last year of \$24,190. We can do it – and our Lions Foundation of Canada can use the money. A total of 117 new dog-client teams were produced by LFC in 2025, and that number is expected to rise once our new facility gets operational.

This year’s **Pet Valu Walk for Dog Guides** is scheduled for May 31st and all Clubs are invited to host their own Walk. Last year, 14 Saskatchewan Lions Clubs raised over \$60,000! Nationally, the Walk was the second-most successful ever, raising \$1,470,000 and lighting up landmarks such as Niagara Falls, the CN tower, and the Calgary Tower.

Lead sponsor, Pet Valu, has sponsored 248 dog-client teams since 2014 and has donated \$500,000 to the *Difference Campaign* to produce even more. For more information – and inspiration – go to walkfordogguides.com and get your Club and community involved.

Regular Zoom meetings are scheduled for the first Wednesday of each month. The first one of the season took place in January and included 95 participants from all across Canada.

Regular reports are also often presented during Canadian Conversations Zoom sessions, the latest version of which attracted 79 Canadian Lions. Please call on new 5SKS 2nd Vice District Governor Blair Nixon in Leader at bnixon@sasktel.net to learn more about Lionism from those most directly involved.

FOCUS ON CHILDHOOD CANCER

Lions of Saskatchewan,

Have you or your family been affected in some way by cancer? In 2022, the Childhood Cancer Clinic opened in the Regina General Hospital and since then, it has been making a difference in the lives of children, teens and their families.

Lions were a part of fundraising efforts which enabled special equipment to be purchased with a Lions Clubs International Foundation Grant. The money we give as individuals and Clubs *does* come back to our province to help those in need.

I encourage you to make a donation this month to LCIF.

Please scan the QR code below to give now – and if you need further assistance, I am only an email away.

Lions serve – let’s continue to do our part through our foundation as we focus on Childhood Cancer during this month.

Thank You!
LCIF Coordinator Lion Heather Vermeersch

Each year, about 20 children and teens are diagnosed with cancer and over 100 receive treatment, monitoring, or follow-up care in our Children’s Cancer Clinic at the Regina General Hospital...

Club Dues Update

Paper statements will no longer be mailed out

Club Treasurers and Club Officers: you probably noticed that when you go into the Lions' Portal, the following notice has been posted:

“Lions International has gone paperless. Please note that statements will not be mailed. Club Presidents, Club Treasurers, Club Secretaries, and Club Administrators can pay online.”

If you have never used the Portal to look at your Club Dues statement and invoice from Lions Clubs International, you will now have to go into Portal to review or print your invoice. In order to look at your invoice and current statement, sign on to the Portal, go to **My Club**.

Once in **My Club**, you will see a list of headers. Go to **Statements**. The page will be divided into 2 sections:

Current, and **Statements and Invoices**. Current will show what is happening in the current month. To look at the invoice, go to the Statement and Invoice section and look for **Dec 2025 Semi-Annual Invoice**. To review on screen, click on the small icon on the far right side (see below). A new screen will open and you will see the list of members for your Club.

If you have any questions, please get in contact with your District Treasurer, District Administration, or with me.

LCIF District 5SKN Update

Almost halfway to our target!

Some fairly good news, 5SKN Lions! By the end of January, as expected, District contributions to LCIF were almost double the number that had been contributed in the first six months of this Lions' year. Not really a surprise, as after the harvest break, our Clubs seem to get way more active.

Individual member donations have really picked up, as have Club donations. A few non-member donations have also come in.

As of January 31st, 18 Clubs had either made a Club donation, or member from those Clubs had. We are almost halfway to our target of USD \$28,766!

Melvin Jones birthday pins

Past District Governors have been leading the way by donating \$147 or more in order to receive a special pin to commemorate Melvin Jones 147th birthday. Let's keep the momentum up so that we achieve our goal.

Melvin Jones Fellowships

Did you know that there are dozens of Clubs that have donated more than USD \$1,000 over the past years, or are very close to that level in their MJF account? They could therefore give one or more Melvin Jones Fellowships to worthy recipients! There are also members who have individually contributed that amount or close to it. I will be notifying all Clubs who are close to or beyond the USD \$1,000 level and provide the names of those Lions individuals who could qualify – so watch for that via email or letter.

As DG Brian makes his Club visits, (I will come along with him on occasion), it would be a good opportunity to make a Club donation. Why not have a 50-50 draw and donate half to LCIF? It may not be a big fundraiser but every dollar helps us reach our goal.

A big thank you

I'll close with a big thank you to all who are stepping up for LCIF, and give a friendly reminder that having just one LCIF designated fundraiser would help us easily reach our target. As always, if you need any information/help educating members about LCIF, just call or email.

5SKN LCIF Coordinator

Lloydminster Lions' News & Notices

Hello Fellow Lions! Well, we are already down the first month of 2026 and starting to get into the swing of things: International Youth Camp, organizing a "Stride" Walk for Diabetes, Talk of the Golf Tournament, and Stanley Cup tickets. Lots to keep our Lions busy!

Our District Governor Visit included a fun social and supper, a great presentation from DG Brian Starkell, and quite a few guests that we are hoping to be potential Lions Members.

There were also some presentations to Club members who have given years of service to the Lions, as well as a member induction.

Our Valentine's Social Meeting will take place on February 9th. We will have a potluck featuring "appetizers that you LOVE". Attendees are asked to wear something pink or red – or

pay the price of the Tail Twister! There will be a guest speaker following the supper, and perhaps a little bit of trivia to end the evening.

2026 Lake Lenore Lions' Fish Derby Another Huge Success

The Lake Lenore Lions Club's 16th Annual Lions Ice Fish Derby was once again a very successful event. The Derby took place at Lenore Lake on January 17th, with 401 registrations and great support of the 50-50 draw. Just over \$20,250 in cash was awarded that day; \$15,250 went to the fishing winners, and \$5,000 to the 50-50 winner.

With the help and generosity of valued sponsors, the Lions were able to hand out 25 great prize packages – worth close to \$15,000 – in the form of donated or purchased prizes. These further enhance the reputation of the Derby and help ensure future chances of continued success.

Winners

The lucky cash prize winners for fish caught were:

- **1st Place** – Kevin Wehage of Middle Lake won \$7,250.55 (5.13 lb. Pike).
- **2nd Place** – Lane Carrier of Allan won \$3,625.20 (3.41 lb. Jack).
- **3rd Place** – Ryan Yeager of Lake Lenore won \$2,175.17 (3.26 lb. Walleye).
- **4th Place** – Trevor Lohman of Humboldt won \$1,450.11 (3.07 lb. Pike).
- Ryan Yeager's Walleye also won \$500 for the day's largest Walleye, the prize sponsored by Horizon Fertilizer.
- A \$250 Lakeview Insurance prize for the largest Perch was won by Linda Denis of Prince Albert. Her name was drawn from all entrants as no perch was caught.
- The event's \$5,000 50-50 raffle winner was Dallas Korte.

The largest catch of the day was the 5.13 lb. Pike caught by Kevin Wehage.

Major fundraiser

The Derby is the major fundraiser for the Lake Lenore Lions Club and funds raised allow the Club to support many needs in the community and district, as well as broader Lions' causes. Over the past 12 months, the Club has donated more than \$30,000 to such things as: continued fishing enhancements on Lenore Lake, our local youth, local facilities (\$11,000 to school playground and \$7,500 to the L.L. Rec Centre), the community hall, community members in need (\$2,000), area facilities such as the Humboldt Hospital, Humboldt Food Bank, nursing homes, Ronald McDonald House. S.T.A.R.S., Big Brothers and Sisters, Lions charities such as Western Canadian Blind Golfers, W.C. Blind Curlers, Diabetes (\$2,000), and the Lions Foundation of Canada in areas such as disaster relief (Sask Wildfire evacuees), hunger relief, vision, Dog Guides (\$1,000 a year for 5 years), the Lions Sight and Service Foundation, and the Sask Lions Eye Bank (cornea transplants) have also received donations.

THANK YOU

Once again, **THANK YOU VERY MUCH** to all the fishing participants, to all our generous sponsors, and all who helped work at this event. We look forward to your support again next year on this annual Lions fundraiser.

Kipling & District Lions Partner to Improve Food Insecurity

**ALMOST
\$30,000
IN DONATIONS
RAISED!**

On December 7th, 2025, the Kipling & District Lions Club, along with their partners – the Kipling Fire Department and Kipling Food Bank – held their second annual Food Drive and it was a massive success!

As part of their Adam Herold Hockey School volunteer hours, Minor Hockey provided around 40 young players to assist in the door-to-door canvass of the Kipling, SK community. As well, McMillan Motors organized a business challenge to fill a truck in their showroom, and Kipling School collected donations. The Kennedy Fire Department canvassed the villages of Kennedy and Langbank.

Also adding to the success was Kipling Library, which held a well-attended Santa Day (over 90 visitors to the jolly old gent) and had a donation drop-off location.

The second annual Food Drive's donation results were over \$17,000 in monetary and 3,143 pounds of food (valued at

The Kipling Minor Hockey Association took part in the second annual Food Drive, with the Under-7s team, two Under-9 teams, and their Under-11 team taking part. They bundled up and collected more than 3,143 pound of food – double the amount from the previous year. The Food Drive participation was a part of their Adam Herald Legacy Foundation Camp volunteer hours, reinforcing the leadership taught off the ice, such as that shown by the Foundation's namesake. Adam was one of 16 who passed away in the Humboldt Broncos bus crash in 2018. He was humble and a leader who lead by example. The Minor Hockey volunteers would not only have made Adam proud, but they will help change the lives of many families in the months to come by the simple act of volunteering.

over \$12,500) for a total of just under \$30,000. Food Bank volunteers believe that this will give them supplies into the fall.

The 2026 Food Bank Drive will take place on December 6th, with all of the current participants to continue their involvement, and the Village of

Windthorst planning to canvass their residents.

If other Lions Clubs wish to have further information as to how they can support food security in their area, contact our Club. We would be happy to share how we put together this very worthwhile project.

Leader Lions Club Hosts Zone 2 Rally & DG Visit

The 5SKS Zone 2 Rally and District Governor Visit was held on January 22nd, 2026, at the Leader Lions Club / Leader River Hills Lions Club Hall.

A sincere thank you to District Governor Page Newton for sharing her message, and to Lion Brian Nekurak (GLT) for leading some officer training. The "Up Your Leadership Game" session provided a great opportunity to learn while having fun.

It was a pleasure to come together, share stories, and celebrate Lionism with fellow Lions from across our zone.

 Difference Campaign**

— DISTRICT CHALLENGE —

Lions Districts across Canada are challenged by *The Difference Campaign* (for a new dog guide facility) to achieve Gold, Silver, or Bronze status in percentage of Clubs donating \$250 or more to campaign.

Many Clubs have donated much more than \$250 but this challenge makes it easier for more Clubs to gain recognition for their Districts. Results will be permanently displayed at the new LFC Facility.

Please help spread the word; the dogs need us!

— Childhood Cancer Awareness Month —

Every 2 minutes, a child is diagnosed with cancer¹

IMPROVING AWARENESS AND OUTCOMES

“Your child has cancer.” No parent is ever prepared to hear these four gut-wrenching words. Yet each year, an estimated 300,000 children worldwide are dealt a devastating cancer diagnosis². The emotional,

physical, and financial tolls families suffer begin the moment those words are uttered. Lives shattered in the span of a sentence.

While advances in treatment have saved many children, those currently battling cancer – and those who will one day be diagnosed – need help and hope, causing Lions to open their hearts even wider and adopt childhood cancer as a signature

“I encourage utilizing our LCIF's Childhood Cancer grants.”

cause area. Supporting their efforts is Lions Clubs International Foundation (LCIF), which offers Childhood Cancer grants of US\$10,000 to US\$150,000.

“Our foundation's Childhood Cancer grants provide the unprecedented opportunity to strengthen medical and social services to help children fighting cancer and to enhance the quality of life for them and their families,” said Vice President Patti Hill. “I encourage utilizing our LCIF's Childhood Cancer grants. With our foundation's support, we can spur even more progress and ease the burden for so many.”

A Story of Devastation and Dreams

No child deserves cancer. Yet lymphomas, leukemias, and other forms of the disease common in children are the stark reality for many Canadian youth – and their families. There is both heartache and hope.

LCIF is the grant-making body empowering Lions to create greater impact in their communities and around the world. The vast majority of funding LCIF receives is from Lions; one hundred percent of every donation supports Lions service through LCIF grants and programs.

Childhood cancer is just one cause area supported by LCIF and Campaign 100: LCIF Empowering Service. With financial support from Lions and clubs worldwide, Campaign 100 is empowering Lions to increase service impact in vision, youth, disaster relief, and humanitarian efforts; fight the global epidemic of diabetes; and make important progress in expanded cause areas of childhood cancer, hunger, and the environment.
