

The LION'S PRIDE

VOLUME 29 | ISSUE 7 | AUGUST 2026

Saskatchewan Lions' Monthly Digital Newspaper – "We Serve"

August Report from 5SKS DG Shelley Carroll

Welcome to another exciting Lions' year. I never sent in a report for the previous *Lion's Pride* newsletter, as I was in Hong Kong and up to my eyebrows with plenary sessions and celebrations.

For those of you whom I have not yet met, I am your new 5SKS District Governor, and member of the Bienfait Lions Club, situated in the Southeast corner of Saskatchewan. I have been a Lion for over 20 years.

At the beginning of July, I travelled with my husband Paul to the International Convention that was held in Hong Kong. The convention was attended by about 17,000 people and featured a rich and diverse program.

In addition to forum and experience-sharing sessions, a series of community service activities were also organized to benefit elderly people, for community outreach initiatives, and

to promote health awareness.

This allowed Lions from around the world to engage directly with local communities and participate in social services in Hong Kong.

On the last day, the excitement rose when incoming International President Mark Lyon was sworn in. His first order of business was announcing that all of the District Governors-Elect were officially District Governors. The room was electric as everyone was shaking hands and hugging one another.

After arriving home, it was a one-day break, and right back to Lion Business. I have been on the phone and emailing getting everything ready for the Lion year. I have a few visits scheduled and have been organizing my schedule.

We had our first cabinet meeting

on August 8th in Moose Jaw, and then SVDG Blair Nixon and I will be attending the USA/Canada Lions Leadership Forum in Memphis.

I am encouraging everyone to attend our district convention at Kenosee Inn in the beautiful Moose Mountain Provincial Park on the weekend of October 23rd and 24th. We have trimmed it down to one and a half days in order to make it affordable as well as not taking up a full weekend so that attending Lions can still enjoy family time.

This is the final year for **Mission 1.5**. The focus is on recruiting new members but I also want everyone to also work on retaining the members that you have. Every member is valuable in his or her own way. Make sure they are recognized for the work that they do as well as making it fun and memorable for them.

Yours in Lionism,
-Lion Shelley Carroll

Club Dues Update

Payments due by September 30th

Saskatchewan Lions,

I previously reported that Lions Clubs International has made changes to when dues can be paid. Instead of giving Clubs up to 120 days to make payments, it is now 90 days before going on Status Quo, and then another 60 days before going on Financial Suspension.

All Lions Clubs are being encouraged to pay their dues before 90 days to avoid calls and emails asking if there is an issue. As to how to pay, the options are credit card, pre-authorized debit (PAD) and cheque.

The current fees are due by September 30th! Instructions can be found at the following link: [Finance Resources | Lions Clubs International](#). You will find payment instructions, as well as information about financial suspension, suspensions, and reactivation.

Further down the page is where you can find the Pre-Authorization Deposit (PAD) if you want to sign up for it.

Any questions about payments can be directed to District Treasurers or Accounts Receivable located in LCI.

I can try to answer any questions for the Club but I may have to research the subject first before giving you a reply.

Let me know how we can help.

Sask Lions Blue Jays Weekend Raffle – 2027 Edition

Tickets coming soon

Preparations have started for this long-standing and uniquely Saskatchewan promotion. Tickets for this year's Lions Foundation of Canada Fundraiser Raffle will soon be coming to each Club in Saskatchewan – please plan your budgets and sales accordingly.

Some Clubs and Lions buy some or all of the tickets; some sell them all to the public and find that public events – especially Lions events - are effective locations, and many do a combination. Whatever you do, it helps the dogs and the clients they serve.

New this year...

The value of the trip may approach \$5,000 so the cash option will also go up – likely to \$4,000 – making the Raffle prize even more worthwhile. Sask Lions set a new record for sales in this Raffle last year and their help goes a long way in supporting this most worthy cause of ours – the LFC Dog Guide Program for Canadians.

Woof! Woof!!

Pet Valu Walk for Dog Guides

Our Lions Foundation of Canada's largest Annual Fundraiser was another success! Nine Saskatchewan Lions Clubs were among the 200+ Clubs across Canada who hosted Walks this year, bringing in a total of \$1,270,000.

Saskatchewan results included: Burstall, \$2,915; Central Butte, \$5,974; Martensville, \$29,292; Melville, \$6,733; Moose Jaw, \$1,770; Prince Albert, \$2,515; Regina, \$1,322; Regina Beach, \$860; Spiritwood, \$2,295.

Donations from the Martensville Walk were the 4th highest in all of Canada! They were only behind three Walks in heavily-populated Ontario, including the highest at Oakville – *home of LFC* – with \$67,864. *Good on you, Lions of Martensville!*

Some previous national results: 2024 = \$1,311,702; 2023 = \$1,216,747.

The Official Date for the 2027 Walk is May 30th but any date is acceptable. Some areas are creating Zone Challenges and taking turns hosting in order to get more Lions and public involved. It's a fun way to do something good! *Go to dogguides.com for more details.*

It's a New Year!

Welcome to the 2026-2027 Lion Year. Many of the Clubs in 5SKS have continued to keep busy over the summer months and many of you will just be getting back to regular meetings. I continue to serve as the Lions Clubs International

Foundation Coordinator for the District, and look forward to sharing information about the work of the foundation and the services it offers to your Club.

Do you know what a US\$100 donation to LCIF does? Check out the information at the left.

There is always more money coming back to our district in the form of grants and disaster relief than we donate during the course of a year.

I invite you to find a way to make a monetary donation on behalf of your Club to Lions Clubs International Foundation. As a District, we gave a little more than \$27,000 in 2025-2026 and I know we will do even more this year.

Please use the QR Code at right to make your donation today – and if you require further information on how to apply for a grant or how to purchase a Melvin Jones Fellowship, contact me.

Let's strive to have 100% of the Clubs in 5SKS contribute to LCIF in 2026-2027!

Let's strive to have 100% of the Clubs in 5SKS contribute to LCIF in 2026-2027!

YOUR US\$100 GIFT CAN HELP LCIF...

- Provide vision screenings for 50 at risk youth through Vision Grants.
- Offer immediate relief to 39 victims of a natural disaster through Emergency Grants.
- House one family during their child's cancer treatment through Childhood Cancer Grants.
- Screen 98 individuals at risk for diabetes through Diabetes Grants.
- Improve access to food for 90 hungry people through Hunger Grants.
- Fund Lions Quest curriculum for one year for an entire classroom through Lions Quest Grants.

100% of your donation supports LCIF grants and programs.

National Special Olympics Summer Games

August, 2026 in Medicine Hat, Alberta

Special Olympics came to western Canada this summer, featuring 1,500 athletes and even more volunteers – some of whom were Lions.

The purpose of the games is to offer athletic opportunities for those with intellectual disabilities and to teach us all to respect people who are different.

The Games are the concept of Eunice Kennedy Schriver, sister to President John F and Robert F, and were first held in Chicago in 1968. As of 2001, the Games have taken on an emphasis on vision called ‘Opening Eyes’, thanks to Lion and owner of a vision centre in New Jersey, Dr. Paul Berman. Since then, our Lions Clubs International Foundation has partnered with Special Olympics and helped to provide nearly 500,000 screenings and 280,000 free prescription eyeglasses at events like this.

At Medicine Hat, Lions and other volunteers provided voluntary vision assessment for athletes. Participating Lions came from the two Lions Clubs in Medicine Hat, from Calgary, from Manitoba, and from Richmond, Saskatchewan – an hour’s drive away.

Optometrists, ophthalmologists, and staff from several local firms including an office manager, took part. One of the offices even shut down for a day to provide help for the event.

A total of 445 athletes received chart-on-the-wall distance testing, close-up vision testing (testing for colour recognition, refractions and glaucoma, etc.), and they could also choose new – or replacement – glasses, sun glasses, or sports goggles. The goggles were so popular that supplies ran out. Equipment, including an auto refractor to determine prescriptions, was provided by Special Olympics Canada out of Toronto.

Over and over again, volunteers spoke of being impressed with the athletes and how patient, polite, friendly, and grateful they were.

The Opening Ceremonies started at 6:00 p.m. in front of several thousand parents, fans, and supporters, and was a wildly joyful event. All of the athletes were cheered as they entered the Arena, filling the floor where Ceremonies were held. The athletes had been getting organized at the arena for over two hours prior and it took over an hour to seat all of them – but together with the audience, they cheered, waved, and smiled the entire time. The event was joyous and inspirational. Governor-General Louise Arbour acknowledged athletes from B.C. who had arrived by bus at early in the morning at 1:00 a.m. after their flights were cancelled due to forest fires. The games were an inspiration to many, many people. *And Lions were there – rooted in Service!*

The sweetest story of the week: that of the local policeman who got the unscheduled privilege of placing the weightlifting gold medal his daughter had just won over her head. Good stuff!

-PCC Lion Gordon Ziegler, Richmond Lions Club

Rosthern Lions Club Raises Funds Throughout the Summer

Food Fundraiser into Farm Donation

In July, some members of the Rosthern Lions used their Dessert Night as the occasion to present the Seager Wheeler Farm with a cheque for \$3,000.

Seager Wheeler Farm was once home to the legendary “Wheat King of the Prairies”. The farm is a National Historic Site and peaceful sanctuary designed to bring people together, including families where kids can unplug and roam freely, and take in Saskatchewan heritage. The site also acts as a wedding venue, a field trip location for schools, and offers quiet afternoons with guided or new self-guided tours, and more.

The donation was only possible due to the community’s support of the Rosthern Lions’ annual Pasta Night fundraiser.

New Bingo Season Begins

The Club’s new Bingo licence year started

In July, the Rosthern Lions presented Seager Wheeler Farm with a cheque for \$3,000. Seager Wheeler Farm, dedicated to preserving Saskatchewan’s agricultural roots for generations to come, is operated by volunteers and summer students, hired through the Canada Summer Jobs Program. The Board is made up of many long-time volunteers, some of whom were involved in the beginning of the Farm in the early 1990’s.

on August 17th and will be held every third Monday of the month going forward. The doors at the Lions Hall open at 6:00 p.m., and bingo starts at 7:00 p.m.

The proceeds from August bingo went to the yearly-purchase of calculators for the local Grade 5 students; every child gets the same make and model to use through their school years at no cost to them.

The Lions hope folks join them at bingo each Monday ...and bring a friend!

Children in Bredenbury Summer Program Learn About Helping Others, Giving Back

Local Lion speaks with group

The children attending the Bredenbury Summer Days Program on July 31st were joined by Bredenbury Lion Joe Andrew. He spoke with the group about what the Lions Club does, how it impacts communities, as well as the importance of volunteering, giving back, and helping others.

LCIF 5SKN News as of August 24th, 2026

There are finally details on our District's contributions for last Lions' year, 2025-2026. Thanks to the tremendous support from Clubs and many personal donors, we surpassed the target set for the District by our Constitutional Area II leaders. (That target was \$28,766USD.) Our District actually contributed \$30,427. That is a WOW achievement, but not unexpected. We are Lions. "We Serve." We know what it means when people say, "Where there's a need, there's a Lion."

The bigger picture reveals that CA II reached its targeted goal of USD \$875,625. Many Canadian Clubs met their goals. Overall, Clubs and individuals across Canada contributed USD \$875,625 – which was just slightly over target.

Once again, Canada benefitted from LCIF grants. 40 Matching grants totalling USD \$1,453,044 were approved for Canadian projects! That's over USD \$500,000 more than Canadians contributed, so we can see that Canadians benefit far above what we contribute as Lions Clubs and members.

We applied for and received several smaller District and Club Community Impact Grants and have an ongoing large matching grant of USD \$55,604 currently being used on a project by the St. Louis Lions Club.

The target for the 2026-27 Lions' year is USD \$28,369, which reflects the fewer members in the District. Last year, a great deal

of information was mailed to all Clubs. It clearly explained why Lions need to support LCIF and it clearly outlined how LCIF has supported projects and needs in our District over the past.

Two strategies were outlined that will help our District maintain its LCIF support levels; Clubs should find a member who will take the Club LCIF Coordinator position, and a dedicated fundraiser would be nice to raise LCIF funds.

I'm not sure how many Clubs have a dedicated fundraiser, but even having a 50-50 raffle is not too onerous a task and could satisfy that goal. Please try to enact that suggestion. If you had an annual dedicated fundraiser, we'd easily hit our goal.

Many Clubs have been involved in getting

grants but those that haven't need to pick a great project and start planning. Districts are allocated two matching grants per year so it's important to start planning ahead if you've got something in mind.

District grants can be applied for from our DCG funds, but they are for smaller projects as that fund isn't very large.

Contact me for more information if you have anything in mind.

Southey & District Lions' Raising Funds Through Raffles

The last two Southey & District Lions' Cash Lotto winners were drawn over the summer, bringing the Club's fundraiser to an end for the 2025-2026 Lions' year.

July 11th saw Paul Hart's name pulled and he won a \$2,000 prize. His ticket #17 was purchased through Lion Mathew Nordal. In August, the final winner was Josh Case! He also wins a prize worth \$2,000. Lucky ticket #160 was sold by Lion Justin Maier.

The Lions would like to thank everyone for supporting our Cash Lotto over the years. You have helped us make donations to many important initiatives in our local communities.

Please support us again in our **new 50/50 Draw**, where we will be introducing a 50/50 format with a top prize worth \$2,500. Tickets are only

\$10 each and available for purchase through Lions Club members.

E-transfers can be found below.

New Gazebo Added to Lions Park in Esterhazy

The end of July saw the Esterhazy Lions' Gazebo project completed at the Lions Accessible Play Park. What was expected to take three days took just half the time, thanks to the many hands making less work. Dan would like to thank Harold, Brian, Vlad, Bob, Randy, Jerry, and Mason for coming out. The Lions hope all enjoy the great addition to the Park.

Summer Parade Float Wins

The Humboldt Lions featured their 'Festival of Frights'-themed float in the Humboldt Summer Sizzler Parade at the end of June.

Club President, Shaun Futoransky (above centre) shows off their plaque, recognizing the Club's entry as the 'Best Non-Profit'!

The Club is currently in the planning stages for the Halloween event!

Humboldt Lions Club Summer News & Notices

There has been a lot happening in Humboldt lately – and a lot of it has to do with the Humboldt Lions Club! Members have been spotted running around town in a whirlwind of activity and service.

June was busy – from the Type 1 Diabetes' Dine & Dash, and Locked Up to Lift Lives, to the Diva for a Day Golf Tournament and the Villa's BBQ fundraiser for a new tub.

Next, the Lions could be spotted participating in the Humboldt Sizzler Parade and Sizzler Comic-Con, where they were stirring up a little excitement for their upcoming 2026 Festival of Frights. The fog is starting to roll in, the story is beginning to take shape, and the Humboldt Lions are counting down the days until they can share what's lurking around the corner this fall.

More notable moments of the summer include Club President, Shaun Futoransky, stopping by the Humboldt Community Gathering Place to deliver a cheque to them. The funds came about thanks to bar sale proceeds from their concert series.

Then in August, the Humboldt Lions were presented with a generous donation of \$1,695 from the Saskatchewan Sheep Breeders Association, thanks to their Calcutta proceeds.

Humboldt Lions Club President, Shaun Futoransky, delivered a cheque to the Humboldt Community Gathering Place.

Lions set up the barbecue to help raise money for St. Mary's Villa Foundation's new tub for residents.

Locals participate in St. Mary's Villa Foundation fundraiser.

Lions were set up at Boldt Con on June 27th, handing out invitations to Festival of Frights, along with candy, and a wicked goody basket!

Turtleford Lions Hold Golf Tournament

Winners Donate Money Back to Club

The Turtleford Lions held their Hole-in-One Golf Tournament at the Mervin Golf Course on Saturday, July 18th. The tournament featured 4-person best ball, a shotgun start, and 18 holes. There were also hole prizes, a 50/50 raffle, and a steak supper.

The golf tournament winners were Garret Knowlton, Shane Hauff, Michael Windsor, and Logan Domotor – and they donated their winnings back to the Club! The Lions appreciate their generosity.

Darryl Schick was the 50/50 winner.

The Club thanks everyone who participated in the annual event! A special thanks to Edward Knowlton and Diane Macnab for volunteering their time to watch for a hole-in-one. A big thanks also goes to all our sponsors this year; we had some amazing donations and prizes that helped make this tournament a success.

Along with a cheque, Turtleford Lions Club President Garth Banks presented Garret Knowlton, Shane Hauff, Michael Windsor, and Logan Domotor with the Lions Golf Tournament Trophy on July 18th. The group then donated the money back to the Lions Club!

Thanks again to Novlan Bros Sales for being our major sponsor and sending a team to help support us. The Turtleford Lions hope to see everyone again next year!

Bulyea Lions Summer News

The Bulyea & District Lions Club kept busy over the summer. First up was their barbecue fundraiser raffle draw in July. Colleen Keyser was the happy winner, and the Club was thankful to all those who bought tickets to support the Club.

Then members put on their annual golf tournament in mid-August, followed by co-sponsoring Silt Recreation's free Street Concert on August 22nd. A feature performance by Little Miss Higgins – a Canadian folk and acoustic blues singer-songwriter who resided in Nokomis, SK in the 2000s – as well as opening act, Regina School of Rock, drew in a massive crowd.

Flipping Burgers

The Rural Municipality of North Qu'Appelle No. 187 recruited the Fort Qu'Appelle & District Lions Club for their 3rd Annual RM BBQ on Saturday, August 15th.

The Lions were in charge of barbecuing burgers for the event, which had a great turn-out from the local ratepayers, who enjoyed the food as well as the chance to meet their RM council, office, and staff.

Many food donations were collected for the local Outreach and Food Bank which is always an added bonus!

Mid Summer's Art Festival

Lions had a long, hot day at the August 1st Mid Summer's Art Festival – but it was all worth it!

All of the folks who joined in on the day and stopped by for a burger or pop from the Fort Qu'Appelle & District Lions' food booth not only went away happy but were also supporting the community, as all profits go back into the local area!

The Lions were also proud to be a Silver Sponsor for the Festival on the event's thirtieth year.

Rec Centre Volunteer Hours

July saw eight members power through a request by the town of Fort Qu'Appelle.

Celebrating with Ice Cream!

The Fort Qu'Appelle & District Lions Club

invited locals to head out to the Lions Kitchen at the town campground to help celebrate 65 years as a Club.

Folks enjoyed free ice cream treats throughout the afternoon – a perfect way to beat the heat while visiting with friends and Lions.

New Signage Greets Those Visiting Leader

Lion members of the Leader Lions Club and Leader River Hills Lions Club have Lion Craig Tondevold to thank for the new Club signs at the entrances to the Town of Leader, SK.

The unmistakable Lions Logo stands out even against the other famous installations – the “Big Red Chair”, the giant Rubik’s Cube, and a few other larger-than-life features.

The signs include Club meeting times; River Hills Lions meet every second Tuesday at 7:00 p.m., while the Leader Lions meet at 6:30 p.m. on every fourth Monday.

Maryfield District Lions' News

The Maryfield District Lions were out and about this summer, participating in local activities. Members were cooking up some yummy food during the Maryfield Fair & Horse Show on July 25th, where burgers, smokies, hot dogs and water were on the menu for attendees to enjoy.

Some replacement veteran signs and new windsocks were put up during the summer, and the Club thanks volunteers Rob, Freda, Everlee, and Harley for taking on the task!

Towards the end of August, the Maryfield District Lions organized their first trip to Brandon,

MB to donate blood at Blood Services. Freda Hill and Betsy Darroch were the first two donors; Freda said the process was very easy!

The Club is planning another trip – keep an eye on the Maryfield District Lions' newsletter for details if you are interested in coming along for the ride!.

First-time Donor
Maryfield Lion Freda Hill joined the Club as they crossed the border into Manitoba to give blood. Freda was a first-time donor, and noted that the process was very easy.

Signs and Socks
Thanks to four volunteers (Rob, Freda, Everlee, and Harley), the replacement veteran signs, as well as new windsocks, are now up and visible around Maryfield!

Freshening Up
The Maryfield Lions thank Jessica Veysey for giving the Lions Park Campground sign a fresh coat of paint.

Richmond Lions Club's Support Fuels Richmond Rockets

Food Sales into Team Funds

The Saskalta Baseball League promotes itself as the oldest continuous men's baseball league in Saskatchewan. It was created way back in 1951, with four teams from Saskatchewan (Richmond Rockets, Fox Valley, Golden Praire, and Horsham) plus two from Alberta (Hilda and Schuler). The league was the inspiration of Les Benjamin, the Richmond CPR Station Agent at the time, who later served five terms as a Member of Parliament from Regina.

Richmond Rockets "General Manager" Wade Welte (far left) with Lions Club Recording Secretary Debbie Gergely just in front of him. Lion Debbie has served as League Secretary, Treasurer, and Historian. She and her husband, Lion Bill, are members of the Saskatchewan Baseball Hall of Fame, where they serve as Directors. Back row, right to left includes: PCC and Richmond Club Reporting Secretary Gordon Ziegler, Lion Bev Ziegler, and Club President Mel Earl.

The Richmond Lions Club recently showed its ongoing support for the team by providing food services for a pair of Rockets home games in July. Instead of donating just the profits from the two sessions, the Lions Club turned over our gross sales plus a small "tip". So for a cost of about \$375, the Club made a much-appreciated donation to the team of \$1,000! **Good stuff!!**

- Gordon Ziegler, Richmond Lions Club

The cheque presentation between Richmond Rockets' General Manager Wade Welte, the driving force behind the team, and Richmond Lions Club President Mel Earl.

Six Lions Clubs Working Towards Firefighter Memorial

The Lions Clubs of Burstall District, Burstall Bordertown, Cabri, Leader, Leader River Hills, and Richmond are working towards a new permanent landmark.

With help from other local and area groups, the Clubs are getting closer to creating a fitting Memorial for fallen firefighter, James Hargrave. The Walsh, Alberta volunteer firefighter lost his life during area wildfires in 2017 and the Memorial will be located near the site of his accident, between Burstall and Richmond, Saskatchewan.

Donations have not yet been requested.

Richmond Lion, PCC Gordon Ziegler stands at the future memorial site of fallen firefighter, James Hargrave.

A HEARTFELT THANK YOU

— from the Qu'Appelle Lions —

The Qu'Appelle Lions Club would like to extend our sincere gratitude to everyone who helped make our Community Hall, and Sports Day a tremendous success. **A special thank you to:** Ryan Demyen and Spencer Fretz for helping strip the floor at the hall, Double TT Grocers Ltd. for generously donating cleaning supplies, Georg Bourgmans for taking care of the water heater issue, Deb Heisler for all the running around and helping wherever needed, John Mattern and Chrissy Iverson for their assistance at the Beer Gardens, Adam Fretz, Tanya Barrett, and Melissa Partridge for their help at the Cabaret, JHS for supplying the bounce house, Chop and the Camel Towing crew for helping with the setup, Qu'Appelle Fire & Rescue for supervising, and Tracy and Jackie for helping take it down. Thanks also to Dirty Work Restorations for generously sponsoring the band.

Our Club may be small in numbers, but we become mighty when our community comes together. Your generosity, hard work, and willingness to lend a hand made all the difference. Thank you for helping make our Community Hall, Sports Day, and Parade such a wonderful success. We truly couldn't have done it without you!

With sincere appreciation,
THE QU'APPELLE LIONS CLUB

Hazlet Lions Celebrate 50 Years of ‘Sight and Service’

Anniversary Celebrations

The Hazlet Lions Club officially turned 50 years old in February but they held their celebration on June 27th at the Hazlet Hall.

The small-town Club, made up of 30 dedicated members, has been steadfast in their support of the public needs and events within the community. The local residents, along with visitors like

5SKS District Governor Page Newton, were happy to head out and help acknowledge and join in the celebration of 50 years of “Sight and Service” provided by the Hazlet Lions! Nine past Hazlet Lions members’ names were also read out during the evening.

At the 50th Anniversary event, names were read out in Memoriam of nine past Hazlet Lions Club members. The Club now consists of 30 members. The above group photo includes some current, past, and Charter Members (seated) that were present for the celebrations.

On display during the Anniversary evening were several iterations of the Club's annual Tin Man Race t-shirts. Of the 34 years that this fun event has taken place, there are only 20 original shirts in the Club's collection.

2025-2026 DG Page Newton (far left) presented Hazlet Lions with long-time service awards.

Hazlet Lion's Farm Project

May 6th was “Plant Day” for the Hazlet Lions Club Farm Project. A hardworking crew helped with the 2026 crop. The Club is thankful to so many area businesses and residents for help with fertilizer, hauling seed, and spraying.

As of mid-August, the Hazlet Lions’ 2026 crop is in the bin! The Club thanks Pattison Ag, Jared Johnson and his ground crew for the combine, local Lions members who provided semi grain trucks, grain carts, and bin space, and the Lions who oversaw the seeding of the Maple Pea crop and provided crop care over the growing season. Those present during the harvest enjoyed the Lions-organized KFC supper.

Carlyle District Lions Club's Summer News

Barbecue and New Fire Truck

July 30th saw the Carlyle District Lions members barbecuing a meal for the RM 63 Fire & Rescue, local Town Council and RM dignitaries, and the general public. The event featured the arrival of the new fire truck from Manitoba!

The Lions send along their congratulations on the momentous occasion.

Raffle Proceeds Benefit Club

In July, the Carlyle District Lions received a cheque for \$585 from Doug and Mona Hancock. The proceeds came about from a heated lawn chair that the Hancocks raffled off on behalf of the Rae/Hancock families in memory of baseball coach Larrie "Moosie" Rae.

At the time, the Southeast SuperNovas fastball team were celebrating their 10-year anniversary with a ball tournament and it's what inspired the raffle.

The monies were donated to the Club "for the countless hours they have dedicated to maintaining Lions Park."

Carlyle Non-Profit Receives Funds from Lions

Cornerstone Family and Youth was one of several area organizations in the Carlyle community to benefit from the Carlyle District Lions Club's fundraising efforts in the 2025-2026 Lions' year. The non-profit received a whopping \$6,480 in mid-June, thanks to the Lions profits from their annual Supper and Auction event back in April. Pictured above, Lion Jenn Sedor (left) presents the cheque to CFY Program Coordinator, Hannah Brownlee (right) – with a little extra help from Hannah's young daughters!

Midnight Swim

Just in time for the heat of summer, the Carlyle District Lions sponsored a late-night swim for the community. Folks were encouraged to head out to the Carlyle and District Leisure Complex for an evening of fun, including free swimming, free food, and some games and prizes!

Carlyle Fun Dayz

On Saturday, June 27th, members of the Carlyle Lions held one of their famous pancake breakfast for Carlyle Fun Dayz-goers. The breakfast took place at the sports arena and was free – with donations being accepted in order to support Lions' local and community initiatives.

Supper & Auction Proceeds Distributed

In mid-June, the Carlyle District Lions gave away over \$47,000 to deserving non-profit organizations in their community! This was made possible thanks to the Club's annual April Supper and Auction. Disbursements were based on the number of tickets sold by each participating Club, and that meant that for every \$60 ticket that was sold, the Lions were able to give back \$80!

The Club presented the worthy recipients with their cheques at a presentation ceremony. You can find the presentation photos and more details on the Carlyle District Lions Club Facebook page [>>>here<<](#).

Lions Project Maple Leaf;

What You Should Know

A project of Lions of Alberta Foundation, Lions Project Maple Leaf is an activity for Canadian Lions Clubs and an opportunity to demonstrate to your community how proud you are to be a Canadian and a Lion. Within your communities, you can involve your Club by contacting local school officials requesting permission to visit schools in order to present a flag of Canada and a Lions Project Maple certificate (in English or French) to Grade 1 students.

Simply determine the number of flags and certificates that your Club will need to present to the students, then complete the NEW order form, attach payment, and mail to the address on the form. Please remember to include an email address so that a Canada Post tracking number can be provided to your Club.

Prepare for your visit – plan to wear something that identifies you as a Lion. Plan to tell the students who you are; provide your Lions Club name, share details about what Lions do within their communities and abroad, speak about the importance of Canada Day and our country's flag.

Things to remember: Be positive; present flags; present certificates which the teacher(s) have printed the student name on; encourage the students to have a bit of a discussion.

New Order Form

Any Saskatchewan Lions Club interested in participating in Lions Project Maple Leaf should use the new form. Click [here](#) or find the form – dated February 2026 – available on the Lions of Alberta Foundation website. The Project is available at the same cost, with just a slightly different procedure.
